CHRISTIAN EDUCATIONAL ASSOCIATION

"Common Sense" is a bimonthly tabloid size newspaper published by the Christian Educational Association, 530 Chestnut St., Union, N. J. The last statement of ownership appeared in the 10/1/59 issue and listed the owner and publisher as the Christian Educational Association and editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on 12/17/54 published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish, and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

Dear Mr. Burke:

Your kind attention is invited to the annoyance and Un-American practices of a certain group called the "Christian Educational "Association, which has headquarters in Los Angeles, California and Field Office in Union, N. J.

This organization is on the Attorney General's list of subversive organizations, and when the current material was received, I reported it to my Division Supervisor, Mr. Martin M. Klein, of the Issue Control Division, U.S. Naval Supply Center, Bayonne, N. J., who very promptly arranged a conference with Mr. Joseph LaRocca, Personnel Supervisor at the Center. Mr. LaRocca suggested I contact your office and in↔ form you of what I have. Perhaps you could help me to get my name off that outfits mailing list, as the matter they send is not only unwanted,, but is dangerous to the internal security of the United States.

As a Federal Employee (Grade GS-3) Issue Control Division, NSC Bayonne, N.J., I feel it was and is my duty to myself and my country to expose these things and bring them to the attention of the proper authorities.

It is requested that Mr. Klein and Mr. LaRocca be forwarded a copy of any correspondence relative thereto.

The printed matter will be forwarded your office under separate cover. With every good wish and best reards to you and your staff, I remain

NYO indices reflected no information identifiable with these individuals. on 10/31/60, advised he could furnish no information concerning them.	.b7D
On 11/28/60, advised that CONDE MC GINLEY of the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, who publishes the periodical, "Common Sense," had stated that ROCKWELL had written a book in which ROCKWELL makes the statement that RUSSELL MAGUIRE, publisher of "American Mercury," had promised to pay \$10,000 to ROCKWELL, and one of Magnificus sons if they would kill some Jews.	b6 b7C b7D
The source stated that RUSSELL MAGUIRE has been unsuccessfully attempting to induce ROCKWELL to omit the above statement from his book.	

The source was unable to furnish any additional information concerning the alleged offer made by MAGUIRE except that CONDE MC GINIEY was worried because such a statement as made by ROCKWELL "could lead to an investigation by the authorities."

Concerning RUSSELL MAGUIRE, it is noted that on 3/9/59, JAMES F. O'NEIL, publisher of "The American Legion Magazine," advised that he had learned from various sources that RUSSELL MAGUIRE, Chairman of the Board of "American Mercury" magazine is a confirmed anti-Semite.

WILLIAM LAVARRE, former editor of "American Mercury" who furnished information to a Bureau representative at Washington, D.C. on 1/20/58, and with whom contact has not been sufficient to determine his reliability, advised that RUSSELL MAGUIRE was very anti-Semitic and described MAGUIRE as a refugee from the "crack-pot fringe."

in the past has been irrational at times and unable to distinguish between facts and fiction.

NYO indices reflect that LUKE ALEXANDER DOMMER (NY file 105-32653) was interviewed by Special Agents of the FBI on 12/2/58, in order to develop information concerning bombings of a racial or religious nature. At that time DOMMER advised that he had been invited to participate in a demonstration in Washington, D.C. organized by GEORGE LINCOLN ROCKWELL in July, 1958, but had declined.

JEW RELIGION EXPOSED

FROM THE "TALMUD" WHICH IS THE JEWISH HOLY BOOK, TAUGHT BY THE RA IN THE SYNAGOGUES, WE FIND THAT JESUS IS REFERRED TO AS:

an Am-haaretz, or ignorant clod, a fool, liar,

deceiver, the bastard son of a harlot, who set up His churches

as whorehouses with harlots inside to get male customers drunk until they disrobe and worship the "IDOL" Jesus as in Baal sex-worship. TODAY He is given FIVE deaths wherever "Judaism" is taught: He is sunken in "dung to the armpits" and strangled; sunken in "dung to the armpits" and boiling lead poured down His pried-open mouth to burn the intestines; He is decapitated; He is stoned to death; He is crucified as a "blasphemer" of this religion of Pharisaism. Christians rank far below prostitutes, with whom they are standardly compared. All are consigned to hell where "boiling excrement" is their punishment and "boiling semen" is Christ's. Mocking the Bible is no sin but mocking the Talmud "Sages" is the crime of crimes for which the above punishments are given. The "Sages" reverse every Biblical teaching. One may curse parents and beat them to the point of drawing blood when alive, but the sky is the limit when they are dead; a grown man may always rape or commit sodomy with a baby girl under three years old and may commit sodomy with little boys under "nine years and one day" and with a "terefah" (chronically sick person), a dead body or with a neighbor's wife. The basic doctrine of Pharisaic Judaism is that all non-Talmudists rank as non-humans, "the people that are like an ass-slaves who are considered the property of the master" (the human being or Talmudist). The non-Talmudist has no rights under any legal code whatsoever. The "Lord" will never forgive anyone who returns a lost article to a non-Talmudist UNLESS not returning it will jeopardize Jewry in general and expose the Jewish religion for the code of antihuman criminality that it is-THEN it is a crime not to return it. To try to kill a non-Jew is so meritorious that if in the effort to do this a Jew is killed, there is no penalty.

If a woman's lightest sin be that incestuous relations with an older son resulted in a younger son, her heavist sin must then be "minuth" or Christianity. Even talking to a Christian is likened by the "Sages" to visiting a harlot's house. Murder, robbery, rape, deception of non-Jews, rank only as the meritorious acis of a human being who owns the chickens, cows and asses of creation for his own use. Every Talmudic authority boasts that Marxism was invented and has been led by "them which say they are Jews."

COMMUNISM-SOCIALISM is only the Talmudic code in action. It is sadistically ANTI-CHRIST, anti-human, filthy and SATANIC. It is no accident that all Jewish authorities today state that the Jewish religion as it is today springs in an unbroken line thru all the centuries from the PHARISEES. Nor is it any accident that the Divine Savior warned in the flesh and from the Spirit that the Pharisees were of the Devil (John 8:37-44; Luke 11; Matt. 23; Rev. 2:9;3:9) saying "I know the blasphemy of them which say they are Jews and are not but do lie and are of the synagogue of Satan" (Rev. 2:9;3:9).

But, today, as in the time of Christ, hatred of Him also inspires the buying up of Judases to betray Him:

"Woe unto you, scribes and Pharisses, hypocrites! for ye compass land and sea to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves" (Matt. 23:15).

The pagan Pharisees, whose Babylonian Talmud TODAY

permits burning children to Molech, did not gain mastery over Judaism until the Sadducees, sticklers for Scripture and against Pharisaic "Tradition" which nullifies the Bible, were lover whelmed after the Bible believing Jews accepted Christand left the synagogue. Pharisees then took over and completely remodeled "Judaism" on abominator lines. (Matt. 23,817) -00O0o-

JEWS ADMIT IT WAS A JEWS WARE

The Jews themselves make no secret of the fact that the recent war was a Jewish one in its entirety. Consider these statements by Jews on it. The Jew Scholem Asch in a pep talk to French troops in the line, (written in the French newspaper Les Nouvelles Litteraires of February 10th, 1940), says "This is our war, and you are fighting it out for all of us. Even if we Jews are not bodily with you in the trenches, we are nevertheless morally with you."

The Rabbi Reichhorn wrote on July 1st, 1880, in the periodical Le Contemporain, "We shall drive the Christians into wars by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people."

The Jew Marcus Eli Ravage wrote in the periodical The Century Magazine of January, 1928, "We have stood at the back of, not only the last war, but all your wars; and not only the Russian, but of all your revolutions worthy of mention in your history."

The Jew Valadimir Jabotinsky, leading Zionist, wrote in his book "Die Fudische Kriegsfront, 1940: "When the National Socialists and their friends cry or whisper that this is brought about by the Jews, they are perfectly right."

The Jewish magazine The Sentinel of Chicago wrote in its issue of October 8th, 1942 as follows: "The second World War is being fought for the defense of the fundamentals of Juda-

FROM THE PROTOCOLS OF THE LEARNED ELDERS OF ZION (JEW CONSPIRACY FOR WORLD CONQUEST)

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international agentur: (agents and agencies made use of by the Jews) which possesses millions of eyes ever on the wealth and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations. precisely as the civil law of States rule the relations of their

Subjects among themselves.—(Protocol No. 2)

Non-Jew. this is the truth that will make you free and can be proven in any OPEN American court. Copy it, scatter it, Organize, secretly, now, to beat these "Children of the Devil," at their own game. Fear not, God is with you in the spirit of our Lord Jesus, a Judean, but not and Your legal authority is in the 10th article of your countriyls constitution.

"Marriages taking place among Gentiles have no binding strength, i. e., their cohabitation is just as the coupling of horses, therefore their children do not stand as humanly related to their parents." (Law 88).

"MEDINA IVRIT" (The Jewish State). Prague, No. 33, Sept. 27, 1935:

"In our hearts reigns but one sentiment. We command our hearts to banish all other emotions and to let themselves be led by that unique sentiment: that of revenge. Our people have now but one desire: TO DESTROY, RANSACK, BOY-COTT!"

KILL: In a 1931 booklet by Abraham L. Reiskind of New York, entitled "My Conception of God," the Jewish author admits: "There is a passage in the Talmud which is exceedingly bitter against the Gentiles, namely: 'The BEST of the Gentiles—KILL'."

"A thing lost by a goy may not only be kept by the man who found it, but it is even forbidden to give it back to him."—Szulchan Aruch, Choszen Hamiszpat, 266, 1.

"The robbing of a Gentile is allowed as they are not our brothers" (Baba mezia 61).

"Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—Sz., Ar., Ch. Ha., 388.

"If there is no doubt that someone has thrice betrayed the Jews or caused their money to pass to the goys, a means and wise council must be found to do away with him."—The same.

"Although it is not a direct obligation for a Jew to kill a Gentile with whom he lives in peace, yet, in no case, is he allowed to save a Gentile's life." (Law 50).

Klatzkin, Jew, Zionist leader in Der Jude, 1916: "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them. We form in ourselves a closed juridical and business corporation. A strong wall built by us separates us from the peoples of the land in which we live—and behind that wall is a Jewish State."

"A Jewish mid-wife is not only permitted, but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—Schul. Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. GENTILE masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.—(Protocol No. 4).

To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that GREEDY DEMAND FOR LUXURY which is swallowing up everything. We shall raise the rate of wages which, however, will not bring any advantage to workers, for, at the same time, we shall produce a rise in prices of the first necessaries of life, alleging that it arises from the decline of agriculture and cattle-breeding: We shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOYIM.—(Protocol 6).

We will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness. —(Protocol No. 9). (i.e., U.N.).

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false, although it is by us that they have been inculcated.—(Protocol No. 9).

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.—(Protl. 15)

Economic crises have been produced by us for the GOYIM by no other means than the WITHDRAWAL OF MONEY FROM CIRCULATION. . . . You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.—(Protocol No. 20).

PROTOCOLS

Human Freedom Debased

No alteration in the text of this translation has been made since it was first published.

Ш

20. The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

Blackmail- A Vicious Weapon

13. In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other—then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honour connected with the office of president.

Plan Secrecy of the Plot

- 5. When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficient rule.
- 6. Who will ever suspect then that ALL THESE PEOPLES WERE STAGE-MANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES!

٧

4. Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbitage, by regulations of life in common and all sorts of other quirks, in all which the goyim understand nothing, belongs likewise to the specialists of our administrative brain. Reared on analysis, observation, on delicacies of fine calculation, in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity. In this respect the Jesuits alone might have compared with us, but we have contrived to discredit them in the eyes of the unthinking mob as an overt organisation, while we ourselves all the while have kept our secret organisation in the shade.

XI

7. For what purpose then have we invented this whole policy and insinuated it into the minds of the goy without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organisation of SECRET MASONRY WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE GOY CATTLE, ATTRACTED BY US INTO THE "SHOW" ARMY OF MASONIC LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.

Cripple the Nations by Loans

XX

37. But it is a proof of the genius of our chosen mind that we have contrived to present the matter of loans to them in such a light that they have even seen in them an advantage for themselves.

Planned Inflation or Depression

20. Economic crises have been producer by us for the goyim by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals..

Control of our Economy Planned

- 2. We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and—the main thing—millionaries, because in substance everything will be settled by the question of figures.
- 3. For a time, until there will no longer be any risk in entrusting responsible posts in our State to our brother-Jews, we shall put them in the hands of persons whose past and reputation are such that between them and the people lies an abyss, persons who, in case of disobedience to our instructions, must face criminal charges or disappear—this in order to make them defend our interests to their last gasp.

XΧ

1. To-day we shall touch upon the financial programme, which I put off to the end of my report as being the most difficult, the crowning and the decisive point of our plans. Before entering upon it I will remind you that I have already spoken before by way of a hint when I said that the sum total of our actions is settled by the question of figures.

XXII

2. In our hands is the greatest power of our day—gold: in two days we can procure from our storehouses any quantity we may please.

and it is happening today

VII

- 1. The intensification of armaments, the increase of police forces—are all essential for the completion of the aforementioned plans. What we have to get at is that there should be in all the States of the world, besides ourselves, only the masses of the proletariat, a few millionaires devoted to our interests, police and soldiers.
- 2. Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferments, discords and hostility. Therein we gain a double advantage. In the first place we keep in check all countries, for they will know that we have the power whenever we like to create disorders or to restore order. All these countries are accustomed to see in us an indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during negotiations and agreements, but, as regards what is called the "official language," we shall keep to the opposite tactics and assume the mask of honesty and compliancy. In this way the peoples and governments of the goyim, whom we have taught to look only at the outside whatever we present to their notice, will still continue to accept us as the benefactors and saviours of the human race.

Divide and Rule

5. For a time perhaps we might be successfully dealt with by a coalition of the GOYIM of all the world: but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the goyim, religious and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong—there is no evading our power. The nations cannot come to even an inconsiderable private agreement without our secretly having a hand in it.

of the Meetings of the

LEARNED ELDERS OF ZION

Translated from the Russian of NILUS by

VICTOR E. MARSDEN

(Formerly Russian Correspondent to "The Morning Post." London, England)

PRESS

5. In the hands of the States of to-day there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing our requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the goyim States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of the oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand goyim.

1. To-day I may tell you that our goal is now only a few steps off. There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolise our people.

4. The principal factor of success in the political is the secrecy of its undertakings: the word should not agree with the deeds of the diplomat.

5. We must compel the governments of the govim to take action in the direction favored by our widely-conceived plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly promoted by us through the means of that so-called "Great Power"—the Press, which, with a few exceptions that may be disregarded, is already entirely in our hands.

8. Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralise the injurious influence of the privately-owned press and will put us in possession of a tremendous influence upon the public mind

XII

Liberalism = Communism = Zionism

9. When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness-blood-poisoning. All that remains is to await the end of their death agony.

One Zionist World Via War

1. It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains: war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international agentur; which possesses millions of eyes ever on the watch and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves.

Mr. Henry Ford, in an erview published in the New York World, February 17th, 19, put the case for Nilus tersely and convincingly thus:

The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW.

CORRUPT AND RULE

9. In order not to annihilate the institutions of the goyim before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the springs which move their mechanism. These springs lay in a strict but just sense of order; we have replaced them by the chaotic license of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, but principally into education and training as being the cornerstones of a free existence.

10. We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.

United Nations the Zionist Super World Govt.

By all these means we shall so wear down the GOYIM that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government. In place of the rulers of to-day we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organisation will be of such colossal dimensions that it cannot fail to subdue all the nations of the world.

Communism - Zionist Offspring

7. We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces—Socialists, Anarchists, Communists—to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite —in the diminution, the killing out of the GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

Fluoridation-Tranquilizers-etc.

19. But you yourselves perfectly well know that to produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want, so that the GOYIM see no other issue than to take refuge in our complete sovereignty in money and in all else.

Confidential Magazine et-al

5. In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature. For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party programme, which will be distributed from exalted quarters of ours

These were found on an Elmwood Avenue bus 'several months ago. One's first thought is to destroy them, but perhaps they might be of interest to your office I don't know what kind of an organization puts out a monstrous thing like this, but that organization should be put out. - of civilization.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as CONDE MC GINLEY and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

A perusal of the issue of "Common Sense" sent to reveals that it is the same hate type literature typical of "Common Sense", with a front-page story headlined "The Three TV Networks and Radio Networks except Mutual in the Hands of Non-Christians" and then contains photographs of ROBERT SARNOFF, "ABC Zionist Controlled"; WILLIAM S. PALEY (Palinsky), "CBS Zionist Controlled" and LEONARD GOLDERSON, "NEC Zionist Controlled".

It appears particularly noteworthy that enclosed with the issue of "Common Sense" was the above quoted sheet of paper soliciting contributions to the American Nazi Party, and for that reason copies of this communication are being designated for the Eureau and WFO files on American Nazi Party, WFO origin. The issue of "Common Sense" and the above quoted sheet are being retained in Richmond's file on captioned organization which publishes "Common Sense" at Union, New Jersey.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jercey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as CONDE MC GINLEY and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a Preliminary Report on Neo-Fascist and Hate Groups In which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies. en issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee.

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

- 4. Two copies of a news item appearing in the 12/18/62 issue of the Evening Journal, Wilmington, Delaware, captioned, "FBI PROBES AWII-SENITE CARDS HERE."
- 5. Two copies of a news item appearing in the 12/19/62 issue of the Evening Journal, Wilmington, Delaward, captioned, "U.S. ATTORNEY CHECKING ANTI-SENTITIC LITERATURE."
- 6. Two copies of a news item appearing in the 12/19/62 issue of the Morning News, Wilmington, Delaware, captioned, "ANTI-SEMITIC CARDS REPORTED."

With respect to the Issue of "Common Sense," It was found under the windshield wiper of a Eureau car on 12/17/62 which was parked in the 1200 block of Market St., Wilmington, Delaware.

With respect to the post card and the Isaue of "The Coming Red Dictatorship," both were turned over to the Wilmington, Dolaware Police Department on 12/17/62 by

who stated he found them on his automobile at 11:00 a.m., 12/17/62, while it was parked in the 800 block of West St., Wilmington, Delaware.

The post card and the Issue of "The Coming Red Dictatorship" were turned over to SA E. JACKSON SWAN on 12/18/62 by Inspector of the Wilmington Police Dept.

No indication was made and no statement was made to Inspector as to what, if any inquiry would be made concerning the mayrer.

It is known similar literature was left under the windshields of a number of cars in downtown Wilmington on 12/17/62.

With respect to the statement in the news item of 12/18/62, that "The local office of the FEI today confirmed that it had received complaints about the literature and was investigating, "no such statement was made to any reported of the Evening Journal or to any other person by any agent in the

BA (100-20960) (C)

Wilmington, Delaware Resident Agency. The only feasible explanation of that statement by the newspaper is that it is well known to all agents in the Wilmington Resident Agency that reporters of the local papers have rather free access to police Department Reports, and in addition, past experience has shown that unidentified members of the Wilmington Police Department have apparently "leaked" information to their reporter friends.

On 12/19/62, IR. ALEXANDER GREENFILD. United States Attorney, Wilmington, made inquiry of the Wilmington Resident Agency concerning the literature, and requested SA E. JACKSON SWAN to review it and advise him whether or not its publication and distribution was a violation of any Federal statute, with particular attention to the possibility there might be a violation of the Extention or Interstate Transportation of Observe Matter Statutes. MR. GREENFELD was courtequely, but definitely advised that a determination as to whether any act was a violation of Federal law was not within the authority of Special Agents of the Bureau, but was more properly within the authority and function of the United States Attorney, or the Department, depending upon the nature of the case. MR. GREENFELD then requested that he be given an opportunity to review the literature himself, and this was done on 12/19/62, following which, he stated he saw no violation of any Federal statute, but that he would probably write to the Department, advising it of the circumstances.

With respect to the news item appearing in the 12/19/62 issue of the Morning News, the last sentence of which reads. "The Federal Bureau of Investigation says it is not investigating any such complaints," no such statement was made by any Special Agent of this office to any member of the press or to anyone else. It is noted, however, that reporter for the Morning News, contacted SA ROBERT ANDERSON on 12/18/62 and inquired as to whether the Eureau was conducting any investigation concerning this matter. SA ANDERSON informed that the Eureau was also advised that the FEI makes he evaluation concerning the character or integrity of any organization, individual, or publication, since the Bureau is strictly an investigative agency. was also advised that

BA (100-20960) (C)

information in the files of the Bureau is confidential, and available for official use only. No statement was made to that the Bureau was or was not investigating the distribution of the foregoing literature.

For the information of the Bureau and Newark, no investigation concerning this matter has been or will be conducted by this office, UACB.

Gentlemen:

In the normal course of our business we advertise in various business papers to inform the reader and to generate inquiries regarding our product, welded diaphragm metal bellows. A copy of our technical literature is enclosed.

We received an inquiry from Mylow Manufacturing Company and proceeded to forward literature describing our product. A short time later the enclosed letter was received, dated March 18, from the Christian Educational Association. along with two issues of their publication "Common Sense", also enclosed.

I do not know how the Christian Education Association received our literature except through a possible error in address. However, the tone of the letter and the nature of their newspaper I find to be very objectionable. I pass this information on to you for whatever value it may have.

IRWIN STEARNES FLEMING, 1761 Esmonde Avenue, Cincinnati 14, Ohio, voluntarily appeared at the Cincinnati Office of the FBI on 2/14/63, at which time he furnished the following information to SAs JACK W. SUNDERLAND and He stated that DAVID GEORGE SCHREIBEIS, Madeira, Ohio, Selfdescribed Organizer, American Nazi Party, Cincinnati, Ohio, telephonically advised FLEMING 2/14/63, that he wants FLEMING to subscribe to "Common Sense" which he described as a Union, New Jersey publication.

SCHREIBEIS told FLEMING that "Common Sense" is a Nazitype publication and that the only difference between "Common Sense" and American Nazi publications is that the ANP uses a German Swastika on its publications and "Common Sense" does not. SCHREIBEIS did not elaborate upon the above information furnished telephonically to FLEMING. FLEMING stated he may subscribe to "Common Sense" in an effort to gain confidence of SCHREIBEIS about ANP activities in the Cincinnati, Ohio area.

This is to advise that on 3/18/63 Capt. of
the Irvington, N.J.P.D., telephonically advised that on
that date two of his patrolmen who are Jewish complained
to him that someone had placed a copy of "Common Sense" on
the front seat of their car while the car was parked. Capt.
stated that in the opinion of these two patrolmen
"Common Sense" appeared to be very anti-semetic, and he in-
quired as to whether the FBI had any investigative interest
in this publication. He stated that he would cooperate in
any way possible in conducting investigation that might be
requested by the FBI.

Capt. was thanked for his interest in this matter and was advised that there was no investigation that he could conduct in behalf of the FBI in connection with this matter at this time.

Conde McGinley Dies; Published 'Common Sense'

Funeral Services
Thursday Morning

Funeral services are scheduled this Thursday at 9:30 a.m. in St. Michael's Church for Conde N. McGinley Sr., publisher of the anti-Jewish, anti-Negro "Common Sense." McGinley, who was 73, died at his 530 Chestnut st. home after a long illness, reportedly of cancer.

Born in Norman, Okla., he opened a chain of restaurants in Georgia from which he retired after World War II to devote full time to his publication.

He began publishing a weekly named "Think" in 1946 in Newark and later moved to the 14-room, stone house on Chestnut st. opposite the intersection with Colonial ave. where he organized the Christian Educational Association. The name of his publication was then changed to

"Common Sense."
State Resolution

Pending now before the State Senate is a resolution introduced by State Senator Nelson F. Stamler of Union, calling for an investigation of McGinley's publications, by the Post Office authorities and the U. S. Justice Department. At the time of introduction of the resolution, Stamler branded McGinley as being "anti-Negro, anti-Catholic and anti-Jew."

McGinley's activities have been opposed by the Advolate, Catholic weekly newspaper, as well as Jewish War Veterans groups and the Anti-Defamation League of B'nai B'rith. His activities were investigated in 1954 by the House Un-American Activities Committee, but the case

A circulation report in 1962, listed 91,000 subscribers to "Common Sense," which reportedly has a staff of 26 employed at Chestnut st. address.

"Common Sense" called itself
"America's Newspaper Against
Communism," claiming to give
"The Truth, The Whole Truth
and Nothing but the Truth,
Without Fear or Fayor."

Other publications published or obtainable at various times from McGinley's headquarters were "Protocols of the Learned Elders of Zion," "Jews and You," "Jew Religion Exposed," "The Coming Red Dictatorship," and "Seventy-Five Reasons why Community Water Supplies Should Not Be Fluoridated."

He is survived by his widow, two sons and a daughter. The body was taken to Haeberle and Barth funeral home, Vauxhall rd.

Dear

I have for acknowledgment your recent letter wherein you make inquiry concerning a newspaper called, "Common Sense". The motive which prompted you to communicate with this office is indeed appreciated.

While I would like very much to be of assistance, the function of the Federal Bureau of Investigation as a fact gathering agency does not extend to furnishing evaluations or comments concerning the character or integrity of any individual, organization or publication. I thought you might also like to know that policy of long standing holds information in the files of the Federal Bureau of Investigation to be Confidential and available for official use only in accordance with the regulation of the Department of Justice. I regret, therefore, that I am unable to comply with your request for information.

I am sure you will understand the necessity for this policy and will not infer from my inability to be of assistance that we do or do not have the information you desire.

SEARCHED INDEXED SERIALIZED GIVETILED IUN - , 1964

The following is a condensed form of Benjamin Franklin's address, delivered before the Constitutional Convention in Philadelphia in 1787.

"There is a great menace to these United States today and that great menace, Gentlemen, is the Jew. In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion upon which this Nation is founded. They have built up a state within a state, and have, when opposed, tried to strangle that country to death financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting house rubbing their hands. I warn you, Gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, Gentlemen, are Asiatics; they will never be otherwise."

For years the original of the foregoing statement by Benjamin Franklin was in the Franklin Institute in Philadelphia. Scores of affidavits bear this out, but the Jews could no longer stand the truth of it and had it taken out. Just how true were Benjamin Franklin's words? Let us see: The Jews have been driven out of almost every country in Europe. What is all this about? Is it all for nothing? Impossible! The Jews were driven out of almost every country in Europe because of their plots to grab all in every country for themselves, and to eventually take that country over, just as their conspiracy is for world conquest, and communism is their principle weapon to attain that end.

Records show that at least ninety percent of all Jews are Communists. The late Rabbi Stephen S. Wise of New York said: "Some call it Communism but I call it Judaism." Jews boast in their own literature that they can bring about revolutions and create wars. After reading the Protocols of Zion (Jewish plans for world conquest) Henry Ford said: "Corral fifty of the world's wealthiest Jews and there will be no more wars."

Fathers and mothers of America, are you going to sit idly by and see the Jewnited Nations make laws for Americans to live up to? AMERICANS AWAKE, BECOME ORGANIZED, AND SAVE YOUR COUNTRY BEFORE IT IS TOO LATE.

Every red blooded American should consider it his or her duty to make copies of this sheet, pass along and mail to friends in other cities to arouse the people to the menace that is going on all around them, and of those who are the cause of it. Then rise up and rid the country of your enemy. You will get rid of the disease of Communism only when you get rid of the cause.

The following is an excerpt of a report delivered by the Netherlands Minister at Petrograd on the 6th of September, 1918, on the situation Russia. The Netherlands Minister was acting for the British Ambassador and the report was presented to Parliament in London...

"The foregoing report will indicate the extremely critical nature of the present situation. The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilisation of the world will be threatened. This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls-general, before referred to, in joining in protest of neutral legations appears to indicate that the danger is also being realised in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organised and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all Powers.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in November 26, 1957 issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958 issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party," reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On 5/20/64, in connection with another investigation. acting manager of the publication "Common Sense" was interviewed in the office of the publication located at 530 Chestnut St., Union, N.J. volunteered information about the publication. She explained that she has assumed the managerial position at the publication "Common Sense" as a result of the death of the editor and publisher CONDE MC GINLEY on 7/1/63. She said she is just assuming the position until someone with the proper background can take over. In the course of the conversation she stated that although she does rewrite on articles submitted she seldom writes articles of her own. She stated that most articles are furnished or submitted by persons using a pen name or sometimes their real name. If the opinion of the writer differs from that of the editorial policy of "Common Sense", she said she changes at or leaves it out. Usually the consent to do this is given by the author. She said she considers the number of subscribers to the publication to be a secret but admitted it was over 10,000 in all parts of the U.S. and the world.

She claimed "Common Sense" was not anti-Catholic.

anti-Negro, anti-Semitic but anti-Communist. She said that a good amount of Jews were Communist and "Common Sense" was against these Jews. She claimed that Presidents ROOSEVELT. EISENHOWER, TRUMAN, AND KENNEDY were Pro-Communist and claimed President KENNEDY was so inclined because he surrounded himself by Jews who really set the policy. She said that slightly before his death, he appeared to change but not too much so. stated "Common Sense" is Pro John Birch Society and "Common Sense" believes in stands behind most of his ideas. segregation and feels the Negro can only achieve status through She said that members of her staff were Catholic and Protestant and spoke of one or two Negroes and Jews who visited the publication and had the same ideas as that of the periodical. She claimed that a Negro who was successful would prefer to keep of his own kind. She maintained that the laws of nature dictate against inter-marriage and general mixing of the races. She referred to Rabbi J. PRINCE of Newark, N.J., who a few years ago sued CONDE MC GINLEY for libel and won.

She claimed that the trial was unfair and that the judge was prejudice and would not permit important evidence and witnesses to be used. She said that since the trial "Common Sense" has collected important evidence to indicate Rabbi PRINCE was Pro Communist in Germany before he came to the U.S. She said it was Rabbi PRINCE's aim to cause the end of the publication "Common Sense" but he failed to do this. Actually, Rabbi PRINCE collected little if anything of the \$30,000 reward because MC GINLEY did not have it. "Common Sense", she claimed, won a moral victory because it is still being published.

"Common Sense" stated that the only time "Common Sense" pays an author is when he continues an active investigation concerning an article to be published. | She said she was associated with CONDE MC GINLEY for 17 years and since his death has been continuing his editorial policy as she knows he would want it written.

editorial policy of "Common Sense" and acknowleded that there were many people who disagreed with their views. The interviewing Agent at no time offered any opinions or views. This memo is being prepared for any value it might have in future investigation of the publication "Common Sense".

Re: Racial Situation - New York Division Racial Matters

A source, who has furnished reliable information in the past and who is the author of a column on current events, which is published in many newspapers throughout the country, on July 22, 1964, furnished the following information:

The author, on July 21, 1964, received an anonymous call from what appeared to be a restrained and responsible woman, who stated that she was afraid to identify herself. The caller stated that Benjamin Freedman, a very rich anti-Semite associated with the magazine, "Common Sense", published in New Jersey, contributed financially to the Negroes who recently terrorized Orthodox Jews in Brooklyn.

The anonymous caller added that Freedman has boasted that he has contributed financially to promote anti-Semitism among Negroes in Harlem, New York, New York.

The anonymous caller gave no other information. author had no other information relative to this matter.

> A source, who has furnished reliable information in the past, on December 28, 1956, advised that Freedman had been associated with and supported "Common Sense". However, Freedman had an argument with the publisher of "Common Sense" and consequently had not recently (December, 1956) met with the publisher. This source added that most people regard Freedman as a man with a disordered mind.

The Christian Educational Association of 530

"Common Sense", a tabloid size newspaper published twice August 5,960
monthly except during July and August. On Nay 20, 1964,

associated with Conde Mc Ginley for seventeen years and
since his death has been continuing his editorial policy.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitricite hate propagands ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts communism as Judalsm and devotes its pages almost entirely to attacks on the Jevish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

On Tuesday, Nov. 27, 1962 there appeared in the Los Angeles Herald-Exammer on page 14 a picture of four men, smiling, happy and well satisfied with themselves. Mark these men well. They have just succeeded in installing International Communism and Political Zionism permanently in the Western Hemisphere. They have placed Cuba-and-its-people un--der the iron heel of Communist Castro and guaranteed its existence as a Communist

These men profess to represent the peofele of the entire world. They operate within the framework of the United Nations Organization. They have been placed above all sovereign governments and have never been subjected to the restraining voice and vote of the citizens of these governments. In all cases where the people have had an opportunity to express their judgement by secret ballot they have been rejected. These men represent Eastern Duropean Communism, Atheistic Asia, Black Africa, and the nations of the Christian Western World.

In that order they are: Anastas Mikoyan, number two representative of Eastern Communism and its master, Political Zionism. He has just returned from spending 24 days with Castro and has now completed the work of placing the people of Cuba in bondage to Atheistic Communism. He is one of the most sinister characters in the world today. Of Khazar-Mongol extraction his is a program of destruction against Christian Western culture.

These then are the four men who appear upon this photo. They are the front personalities who have been appointed to deprive the citizens of the Christian Republic of the United States of their sovereign rights. vellian plans of statesmanship formulated in the Protocols of the Elders of Zion are being gradually applied for the attainment of world domination, You are an antisemite.

Search your own heart and mind and give yourself the answers to the above questions in the glowing light of fruth.

N 0.0 I SUCCESTHAT people of the western world.

Dr. Ralph Bunche, Negro, appointed envoy to Africa, member of many Communist-front organizations, once editor of a Communist-front publication and subservient agent of internationalism. With the tenacity of a termite he has pitted his fellow Negroes, one against the other, for the benefit of Communism and Zionism. 'As Under-Secretary of the United Nations he has destroyed the Christian Negro leadership of Katanga, and has made the Congo another Cuba. Given his way he will work his will upon his own people, in the same way in the Republic of the United States. His job is to destroy the Christian -American-Negro-and place-him-under theatheistic rule of Zionism. An insidious character, his record smells foul to an honest American nose. A Judas Goat he seeks to lead the American sheep into the Communist fold.

Adlai Stevenson, U. S. Envoy to the United Nations. Twice rejected by the 'American citizens in national elections, spurned by his own political party at its last national convention, he has nevertheless been appointed to this high office by the present administration. Adlai Stevenson was projected into the national limelight and became the darling of left-wing and Communist-Front organizations, when he appeared as a character witness for 'Alger Hiss, convicted liar and perjurer, and considered, by many people, this nation's number one traitor. The impact of Stevenson and his ilk upon our foreign affairs has resulted in the destruction of the Monroe Doctrine, the emasculation of our sovereignty, and the deterioration of our security. Stevenson, a weak character, is completely dominated by the internationalists. He was, as late as Jan. 4, 1963, characterized by one of this nation's greateditorial writers, as "A faker of the purest persuasion." He is, in other words, a

criminal conspiracy based on fraud, dishonesty and deceit.

The facts that now confront us are plain to be seen. We are to all intents and purposes a nation overthrown. We are a people in bondage. We are in the hands of our enemies. They have almost destroyed our Republic as we have known it. The Constitution of this Republic and its written laws are being by-passed and to a large extent superceded by a one-world government whose existence was brought into being by International Communism and Political Zionism under their front man, Alger Hiss, who was its first Secretary-General. The continuation of this United Nations, with its appointive officials, will destroy our Republic. To place your political and governmental affairs in the handsof this organization will result in the fulfillment of that dream which Alger Hiss, liar, perjuror and traitor, with his fellow conspirators, brought to fruition at Dumbarton Oaks and San Francisco in 1945. The twin evils of the twentieth century, International Communism and Political Zionism, by stealth and insidious encroachments seek to destroy you from within. They have almost accomplished their objectives. Morally, they have already made you bribe givers to communist blackmailers.

The time has come for American Citizens to rise in their wrath and nullify the activities of this destructive organization, Like John the Baptist we must put our axe to the root of this evil. If the present administration continues to tolerate the United Nations with its attempted destruction of our Republic, it will have to face the ire of an outraged citizenry. And the wrath of a God fearing, Christian, free and mighty people, against tyrants and traitors can be terrible and swift. The destiny of this Republic hangs in the balance. The time for action is now. Let us therefore attend to the business of preserving our Christian Republic for the benefit of our posterity.

itable courage. Then, if to be a Christian patriotic American causes you to be stigmatized by the name "antisemite" be justly proud of this title which is not a term of odium but has now become the trade mark of fearless Christian American Patriotism opposed to Communist Internationalism.

If you can ignore the aspersions cast upon your character, your reputation in the columns of a controlled Press, if you calmly defy the Whispering drives started against you, if you can withstand persecution, smear, false accusations, even jail and torture such as the 33 Christian Patriots had to endure in the "SEDITION Case" of 1942 because they were accused of antisemitism, then be proud of being also called antisemites. This term applied to you is evidence that you are working loyally and faithfully in the service of your Christian Faith-and Country.

Philip—Francis, for years—an editorial writer of great influence in America, and who had had for forty years an intimate connection with journalism, writes: "With a few honourable exceptions, the big papers and magazines of the United States are the most ignorant and gullible, as well as the most cowardly and controlled Press, printed in any Country in the world. The majority of the owners are mere financiers, who look upon their magazines and newspapers simply as money-making mills, and who, whenever it is a question between more coin and good, honest, patriotic, public service, will take the coin every time. (THE POISON IN AMERICA'S CUP, p. 31)."

Excerpt from Foreward to MYSTICAL BODY OF CHRIST IN THE MODERN WORLD, p. xiv and xv.

WE ARE PROUD TO BE ONE OF THE "FEW HONOURABLE EXCEPTIONS," IN THE FIELD OF JOURNALISM, LITTLE WONDER COMMON SENSE HAS A CONSTANT STRUGGLE TO SURVIVE:

The purpose of this whole strategy is to achieve what the opinion molders call "concensus" which is becoming a code Word for thought control. Edith Kermit Roosevelt, Between the Lines, Feb. 28, 1965. Planting the Germ

When Hubert Horatio Humphrey takes every possible public occasion to reiterate that "A federal police is something we do K not want," then it becomes apparent to the Washington-wise that a federal police is the thing we are going to get. When high officials protest too much, watch out. Woodrow Wilson insisted that we would never get entangled in World-War-I;-FDR has raised up such an all-powerful system was repulsed by the idea of sending American boys to Europe; Winston Churchillprotested the very thought of dismember-

Nobody wants a national police force. That's why we're hearing so much about it these days. The idea of its inevitability must be planted in the minds of the people.

ment of the British Empire.

William S. White is a journalist used often for the planting of ideas. A recent article written by this gentleman illustrates the method of planting. We quote the entiré article:

National Police Ominous Threat

Washington—A great and ominous cloud is gathering over one of the deepest rights of our tradition - the right to keep the basic police power close to home and closely in control of the home people.

Where does the bell toll for this, the most venerable and the most irreplacable touchstone of the liberties of free men?

It tolls in the increasing ineffectuality of local law enforcement against ordinary crime in so much of the nation at large. 'And it tolls in the terrible stain of mindless police brutality against minorities, and "out" groups generally, as illustrated mostrecently, most notably and most tragically in Selma, Ala.

Oh, What A Tangled Web We Weave When First We Rractice To Deceive.

Unless the criminal law can be vindicated soon against the switch-blade and rapist set in the North, and unless reason and restraint can be brought to bear against the-bloody-minded-and-bull-whip-sort-of cop seen here and there in the South, we are eventually going to have an all-powerful national police system in this country.

No nation on earth, except perhaps in one or two instances in continental Europe, without inviting tyranny in at the backdoor In the jack-booted torturers of the SS and Gestapo of Nazi Germany, and in the grim varieties of pistol-whipping thought-controllers in the Communist countries, that system is raised to its apogee of evil. But even in its less vicious manifestations, personal liberty as we know it has rarely survived intact.

All the same, an insistent demand for order at almost any cost is rising from Northern urban communities where women and children—and men, too—can no longer go safely about their lawful concerns.

And all the same an insistent demand for an end to police violence in the South at almost any cost is rising from the conscience of decent people of both North and South. Soon the vastly important qualifying phrase "... at almost any cost" may. be heard no more. And then will fall into the lifeless dust the most wise and civilized concept of man's proper relation to the public authority — the concept of local enforcement locally restrained or locally spurred, as need may be - that a thousand years of experience has brought to humankind.

It is to this, the increasing peril to certain state and local rights which are much

foreign assaults.

The unique necessity here is to detend justice alike from those - not excluding, sometimes, some of our course who habitually take an overly compassionate attitude toward criminals and those to whom police violence is entirely right and proper, so long as it is practiced upon some other poor devil.

For the grand and final objective here is infinitely more than returning order to the cities and fairness to minorities who may wish to walk in protest. It is the preservation of the profound and precious amalgam of liberty-under-order, and in just that order of value — that is, liberty first, but order following not far behind.

(End of article)

The Conspiratorial Strategy:

Whatever the Plan, the same formula always seems to work, and it always seems that the Plan has been put into operation because of the demands of the people (concensus). It goes like this:

- 1. Prepare the Plan:
- 2. Create an emergency demanding solu-
- Present the Plan as the only solution, using the "grey operation," "black operation," "white operation," or a combination of them to propagandize, agitate, educate and popularize the Plan (see Edith Kermit Roosevelt's statement prefacing this letter). Finally, the "concensus" demands adoption of the Plan;
- The pre-written Plan is made the "law of the land" by demand of the concensus.

In the particular case under study, the Plan was a National Police Force; a concent so drastic and inhuman (to say noth-

ing of anti-Christian and anti-American aspects of the Plan), that an actual "social, older than this country in their principles, HOGRESSIVE -MIKE BEHAN SEAMS TO BE TOOL OR UNDER INFLUENCE OF MARKIST FREEMASONIC & JESUITIC CONSPIRATORS! Gentlemen:

My husband and I feel your office should read the contents of the enclosed envelope which we received through the mail. The material is so anti-semetic that we find it hard to believe that the so-called Christian Educational Assn. is the true name of the organization which prints such fanatical leaflets.

We have no idea how we came to be on such a mailing list.

Sincerely	yours,

CHRISTIAN EDUCATIONAL ASSOCIATION

The Chastian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, advised that she has been acting manager of "Common Sense" since the death of the editor, Conde He Ginley, on July 1, 1963. She stated that she was associated with Conde Me Ginley for seventeen years and since his death has been continuing his editorial policy.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Mate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the pager.

Benjamin Franklin and the Jews

"In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion, have built up a state within a state, and have, when opposed, tried to strangle that country to death financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting house rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, gentlemen, are Asiatics; they will never be otherwise."

The above is taken from an address delivered by Benjamin Franklin before the Constitutional Convention in Philadelphia in 1787.

JEW RELIGION EXPOSED

FROM THE "TALMUD" WHICH IS THE JEWISH HOLY BOOK, TAUGHT BY THE RABBIS IN THE SYNAGOGUES, WE FIND THAT JESUS IS REFERRED TO AS:

an Am-haaretz, or ignorant clod, a fool, liar,

deceiver, the bastard son of a harlot, who set up His churches as whorehouses with harlots inside to get male customers drunk until they disrobe and worship the "IDOL" Jesus as in Baal sex-worship. TODAY He is given FIVE deaths wherever "Judaism" is taught: He is sunken in "dung to the armpits" and strangled; sunken in "dung to the armpits" and boiling lead poured down His pried-open mouth to burn the intestines; He is decapitated; He is stoned to death; He is crucified as a "blasphemer" of this religion of Pharisaism. Christians rank far below prostitutes, with whom they are standardly compared. All are consigned to hell where "boiling excrement" is their punishment and "boiling semen" is Christ's. Mocking the Bible is no sin but mocking the Talmud "Sages" is the crime of crimes for which the above punishments are given. The "Sages" reverse every Biblical teaching. One may curse parents and beat them to the point of drawing blood when alive, but the sky is the limit when they are dead; a grown man may always rape or commit sodomy with a baby girl under three years old and may commit sodomy with little boys under "nine years and one day" and with a "terefah" (chronically sick person), a dead body or with a neighbor's wife. The basic doctrine of Pharisaic Judaism is that all non-Talmudists rank as non-humans, "the people that are like an ass-slaves who are considered the property of the master" (the human being or Talmudist). The non-Talmudist has no rights under any legal code whatsoever. The "Lord" will never forgive anyone who returns a lost article to a non-Talmudist UNLESS not returning it will jeopardize Jewry in general and expose the Jewish religion for the code of antihuman criminality that it is-THEN it is a crime not to return it. To try to kill a non-Jew is so meritorious that if in

the effort to do this a Jew is killed, there is no penalty. If a woman's lightest sin be that incestuous relations with an older son resulted in a younger son, her heavist sin must then be "minuth" or Christianity. Even talking to a Christian is likened by the "Sages" to visiting a harlot's house. Murder, robbery, rape, deception of non-Jews, rank only as the meritorious acis of a human being who owns the chickens, cows and asses of creation for his own use: Every Talmudic authority boasts that Marxism was invented and has been led by "them which say they are Jews."

COMMUNISM-SOCIALISM is only the Talmudic code in action. It is sadistically ANTI-CHRIST, anti-human, filthy and SATANIC. It is no accident that all Jewish authorities today state that the Jewish religion as it is today springs in an unbroken line thru all the centuries from the PHARISEES. Nor is it any accident that the Divine Savior warned in the flesh and from the Spirit that the Pharisces were of the Devil (John 8:37-44; Luke 11; Matt. 23; Rev. 2:9;3:9) saying "I know the blasphemy of them which say they are Jews and are not but do lie and are of the synagogue of Satan" (Rev. 2:9;3:9).

But, today, as in the time of Christ, hatred of Him also inspires the buying up of Judases to betray Him:

"Woe unto you, scribes and Pharisses, hypocrites! for ye, compass land and sea to make one proselyte, and when he is made, ye make him twofold more the child of hell than your selves" (Matt. 23:15).

The pagan Pharisees, whose Babylonian Talmud TODAY

permits burning children to Molech, did not gain mastery over Judaism until the Sadducees, sticklers for Scripture and against Pharisaic "Tradition" which nullifies the Bible; were overwhelmed after the Bible believing Jews accepted Christ and left the synagogue. Pharisces then took over and completely remodeled "Judaism" on abominator lines. (Matt. 23:31).

JEWS ADMIT IT WAS A JEWS WAR!

The Jews themselves make no secret of the fact that the recent war was a Jewish one in its entirety. Consider these statements by Jews on it. The Jew Scholem Asch in a pep talk to French troops in the line, (written in the French newspaper Les Nouvelles Litteraires of February 10th, 1940), says "This is our war, and you are fighting it out for all of us. Even if we Jews are not bodily with you in the trenches, we are nevertheless morally with you."

The Rabbi Reichhorn wrote on July 1st, 1880, in the periodical Le Contemporain, "We shall drive the Christians into wars by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people."

The Jew Marcus Eli Ravage wrote in the periodical The Century Magazine of January, 1928, "We have stood at the back of, not only the last war, but all your wars; and not only the Russian, but of all your revolutions worthy of mention in your history."

The Jew Valadimir Jabotinsky, leading Zionist, wrote in his book "Die Fudische Kriegsfront, 1940: "When the National Socialists and their friends cry or whisper that this is brought about by the Jews, they are perfectly right."

The Jewish magazine The Sentinel of Chicago wrote in its issue of October 8th, 1942 as follows: "The second World War is being fought for the defense of the fundamentals of Juda-ism."

FROM THE PROTOCOLS OF THE LEARNED ELDERS OF ZION

(JEW CONSPIRACY FOR WORLD CONQUEST)

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international agentur: (agents and agencies made use of by the Jews) which possesses millions of eyes ever on the wealth and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rule the relations of their subjects among themselves.—(Protocol No. 2)

Non-Jew. this is the truth that will make you free and can be proven in any OPEN American court. Copy it, scatter it: Organize, secretly, now, to beat these "Children of the Devil," at their own game. Fear not, God is with you in the spirit of our Lord Jesus, a Judean, but not a Jew. Your legal authoritys is in the 10th article of your country's constitution.

JEWS AND YOU

JEWS RULE THE WORLD IN SECRET. THIS IS THEIR YEAR 5716. BERNARD M. BARUCH IS THE PRESENT JEW KING. THEY REFER TO ALL NON-JEWS AS CATTLE (GOYIM). FOLLOWING ARE EXCERPTS FROM THE "TALMUD," JEW HOLY BOOK, EQUIVALENT TO OUR BIBLE, TAUGHT FROM BY THE RABBIS IN THE SYNAGOGUES.

"YOU ARE HUMAN BEINGS, BUT THE NATIONS OF THE WORLD ARE NOT HUMAN BEINGS BUT BEASTS."
—Baba Mecia 114, 6.

"ON THE HOUSE OF THE GOY (NON-JEW) ONE LOOKS AS ON THE FOLD OF CATTLE."—Tosefta Erubin VII, 1.

, Gems From The Talmud

"Marriages taking place among Gentiles have no binding strength, i. e., their cohabitation is just as the coupling of horses, therefore their children do not stand as humanly related to their parents." (Law 88).

"MEDINA IVRIT" (The Jewish State). Prague, No. 33, Sept. 27, 1935:

"In our hearts reigns but one sentiment. We command our hearts to banish all other emotions and to let themselves be led by that unique sentiment: that of revenge. Our people have now but one desire: TO DESTROY, RANSACK, BOY-COTT!"

KILL: In a 1931 booklet by Abraham L. Reiskind of New York, entitled "My Conception of God," the Jewish author admits: "There is a passage in the Talmud which is exceedingly bitter against the Gentiles, namely: "The BEST of the Gentiles—KILL!."

"A thing lost by a goy may not only be kept by the man who found it, but it is even forbidden to give it back to him."—Szulchan Aruch, Choszen Hamiszpat, 266, 1.

"The robbing of a Gentile is allowed as they are not our brothers" (Baba mezia 61).

"Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—Sz., Ar., Ch. Ha., 388.

"If there is no doubt that someone has thrice betrayed the Jews or caused their money to pass to the goys, a means and wise council must be found to do away with him."—The same.

"Although it is not a direct obligation for a Jew to kill a Gentile with whom he lives in peace, yet, in no case, is he allowed to save a Gentile's life." (Law 50).

Klatzkin, Jew, Zionist leader in Der Jude, 1916: "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them. We form in ourselves a closed juridical and business corporation. A strong wall built by us separates us from the peoples of the land in which we live—and behind that wall is a Jewish State."

THE COMPLETE EXPOSURE OF THE JEW

WHY JEWS ARE PERSECUTED FOR THEIR RELIGION:

"A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may not suffer."—Schul. Aruch, Jore D.

"If a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible."—Tosefta, Aboda Zara 8:5.

"It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he has denounced."—Schulchan Aruch, Choszen Hamiszpat, 338.

"A Jewish mid-wife is not only permitted, but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—Schul. Aruch, Orach Chaims, 539.

"A Jew may misuse the non-Jewess in her state of unbelief."—Maimonides, Jak. Chasaka 2:2.

"A Jew may violate but not marry a non-Jewish girl."—Gad. Shas. 2:2.

"A Gentile girl who is three years old can be violated."—Aboda Shara 37a.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."—Nadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. GENTILE masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.—(Protocol No. 4).

To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that GREEDY DEMAND FOR LUXURY which is swallowing up everything. We shall raise the rate of wages which, however, will not bring any advantage to workers, for, at the same time, we shall produce a rise in prices of the first necessaries of life, alleging that it arises from the decline of agriculture and cattle-breeding: We shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOYIM.—(Protocol 6).

We will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.—(Protocol No. 9). (i.e., U.N.).

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false, although it is by us that they have been inculcated.—(Protocol No. 9).

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.—(Protl. 15)

Economic crises have been produced by us for the GOYIM by no other means than the WITHDRAWAL OF MONEY FROM CIRCULATION. . . . You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.—(Protocol No. 20).

AUTHOR

THE MOST ASTONISHING BOOK ON THE WORLD CONSPIRACY

COMPLETELY DOCUMENTED AND INDEXED

- A Great Book For Patriots -

This book traces fanatical religious concepts through two thousand years of history the present.

This commentary never varies from the original idea of world control which was discovered in the archives of ancient civilization 2500 years ago.

The fervor which the Jewish "Chosen People" have held in carrying out a con-sistent program towards world domination has had many disastrous results. The tenacity with which they have clung to the idea of universal domination over all peoples of the earth has led to blood-letting of ghastly proportions of their own kind as well as of the gentile races.

This book recites in meticulous detail events covering twenty centuries that lead directly into the corridors of the United Nations today.

The contents may be challenged but never refuted.

The Talmud Unmasked

By Rev. I. B. Pranaitis

"Many people today are keenly interested know what the Jewish Talmud really to know teaches about Christians, and for an accurate, authentic treatise on this subject, there is no need to go further than the scholarly work of the Rev. Father B. Pranaitis, an able Roman Catholic theologist and Hebraist, formerly on the staff of the Roman Catholic college of the Imperial Academy in old St. Petersburg. His work is in Hebrew and Latin and bears the imprimatur of his ecclesiastical superior.

This is an accurate translation of Father Pranaitis' Latin text, and it is felt that it will be appreciated by those who are inter-ested to know what this great scholar wrote on this important subject from original Talmudic sources, Father Pranaitis was one of those "liquidated" by the Cheka during the Bolshevist revolution in Russia.

This work has been carefully translated and edited and will stand the test of scholarship, and therefore win the respect of the American people."

—Sir John Harrington, 1561-1612

NONE DARE CALL IT TREASON is a careful compilation of facts from hundreds of Congressional investigations of communism and dozens of authoritative books on the communist-socialist conspiracy to slave America. It dissects the failures of the Eisenhower Administration just as effectively as it details the blunders of Roosevelt, Truman, Kennedy and Johnson. It docu-ments the concurrent decay in America's schools, churches, and press which has conditioned the American people to accept 20 years of retreat in the face of the communist enemy. You won't finish None Dare Call 'It Treason without concluding that America is in serious trouble.

False leaders are indoctrinating our young people with collectivist ideology, even inrading church-sponsored conferences to carry on their evil propaganda. COLLEG-TIVISM CHALLENGES CHRISTIANITY, exposes and rebukes these callous fratids. It should be made available to all the young people of our Christian Churches-place it people of our Christian Charcies—place non the shelves of every school, college, and public library where now there are scores, even hundreds of books written by men who pretend that Marxism is 'practical Christianity.' Political Assassination

Hermann Raschhofer, Political Assassination: The Legal Background of the Ober-laender and Stashinsky Cases: Published by Fritz Schlichtenmayer, Tuebingen, Germany, 1964; 231 pages.

Prof. Oberlaender's Case illustrates frightteningly how the Communists simply fabricate charges against any opponent important and brave enough to impede their satante plots. It also shows that the Communists even in peacetime—or Cold War time—not only ruthlessly destroy by slander and calumny whom they fear, but engage in a world-wide network of strategic murder; sometimes openly, the way a Soviet-trained Oswald killed President Kennedy, more often secret-ly, by hydrocyanic acid so injected as to make the victim seem to have died of heart failure or suicide. That is how Bogdan Stashinski by Soviet order killed the Ukrainian political exile Stepan Bandera, and the Ukrainian author Leb Rebet,

This documented, scholarly book by a distinguished German writer enforces two conclusions: first, Communist charges of war crimes or other crimes against any anti-Communist may not without other corroboration be credited whatsoever; secondly, if any prominent anti-Communist dies rather unexpectedly the probability of a Communist executed murder must be entertained and invéstigated.

The Plot Against Christianity

By Elizabeth Dilling

It is impossible to understand present day world chaos without knowing the tradition of the Pharisees as it is being applied to enslave the people of the United States and the world in our times

The tradition of the Pharisees teaches that only the Pharisees are truly human and that all other people are goyim (cattle, animals) and the slaves of the Pharisees, and that to murder, cheat, or lie to goyim is honorable.

When you know the tradition of the Pharisees you can see clearly the plot against Christianity with the total destruc-tion of personal freedom and the annihilation of all who oppose slavery to the Pharisees.

There is no hatred like the hatred of the Pharisees for Christ and all Christians, and especially their hatred for those who dare to expose their deceifful tactics to destroy Christ and enslave all people.

Freedom's Frontier

\$5.00

By Edward L. Delaney

FREEDOM'S FRONTIER is the kind of book this country needs badly. Only a writer with first hand knowledge, a passion for truth and the ability to write forcefully, can undo the brainwashing the American public has been subjected to for the past several Red Decades. The Washington appeasement policy must be converted into constructive anti-communism. Soviet expansion must be checked, the Captive Nations must be liberated, the Iron Curtain must disappear in Europe, the Berlin Wall must come down and Castroism must expire in Cuba. Mr. Delaney's FREEDOM'S FRONTIER is a book-bomb promoting these liberations.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1935, advised she has been acting manager of "Common sense" since the death of the editor, Conde McGinley, on July 1, 1933. She stated she was associated with Conde McGinley for 17 years and since his death has been continuing his editorial policy.

on May 5, 1967. advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Treliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 20,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jevish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

ble to maintain with them.

Samuel Roth, in his book "Jews Must Live," boldly states:

"Certainly no other religion in the world has offered the world a spectacle as contradictory, as malicious, as full of the spirit of unreasonableness as the Jewish recital of the prayer KOL NIDRE during YOM KIPPUR."

"No matter what business he may undertake to promote with his neighbor, be it material or moral, he wants the Lord to understand in advance that there will be one implicit condition (a condition, however, he does not undertake to explain before entering into an argument): the execution of it must be favorable to Him, the Lord God, or it will be considered by the Jew void, of no account, utterly useless, as if it had never been mentioned, as if nothing relating to it had ever been negotiated".

"The Jew denies by his recital of Kol Nidre, even before he undertakes it, any possible responsibility in crime. Can it be doubted what a fearful influence for evil this must exert on his character as a citizen and as a

be lig:

The Kol Nidre is a Jewish prayer named, from its opening words, "All vows" (kolnidre). It is based on the declaration of the Talmud, Book of Nedarim, 23A-23B:

"He who wishes that his vows and oaths shall have no value, stand up at the beginning of the year and say: 'All vows which I shall make during the year shall be of no value.'"

It would be pleasant to be able to declare that this is merely one of the curiosities of the darkness which covers the Talmud, but the fact is that Kol Nidre is not only an ancient curiosity; it is also a modern practice. In the volume of revised Festival Prayers, published in 1919 by the Hebrew Publishing Company, New York, the prayer appears in its fullness:—

"All vows, obligations, oaths, or anothemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, aforehand, of them all, they shall all be deemed

absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory; nor the oaths considered as

WHY ARE JEWS

DISTIKED BY NECROPS

Why are Jews universally disliked? It is not because they are Jews, but because of what they have done and continue to do to their host nation.

A partial answer may be found in the following revealing excerpt from the Los Angeles Herald Dispatch, a patriotic Negro publication:

"When the Negro is born, he stands naked before the Jew. And the Jew stands ready to clothe him in physical and mental raiment which has been concocted to guarantee himself in running profit for many years ' to come.

life from the cradle to the grave. Ninety per cent of what the Negro uses for food, clothing and shelter; and everything which stimulates his mental and physical environment is manufactured and sold to him by the Jew. And the only reason he gets free air is that the Jew has not yet figured out a way to bottle it up and sell it to him.

"Our mental powers are damaged almost beyond repair by the propaganda the Jew feels is necessary to keep us in tow as his chief commodity and source of revenue...

"Rabbi Levensen said in his article that after selling the Negro all of his necessities including the rent of his home, it was necessary for the Jew to sell him the liquor that he must have to keep him from despising himself . . .

"The Jew justly despises every cell and every fibre of our moral and physical being. Why? Because he knows the depths to which we have sunk in this American civilization more than anyone else in the world. He has wrapped himself around our wretched souls and capitalized on our misery for as long as we can remember . . . What other race of men would have stood by while the Jews enslaved their women, working them for nothing in sweat-shop conditions, and robbing them when they emerged to buy the necessities of life from him

"Compare

absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vowe shall not be reckoned vows, the obligations shall not be chligatory, nor the oaths considered as oaths."

If this strange statement were something dug out of the misty past, it would scarcely merit attention, but as being part of a revised Jewish prayer book printed in the United States in 1919, and as being one of the high points of the Jewish religious celebration of the New Year, it cannot be lightly dismissed after attention has once been called to it.

Excuses Perjury

One of the most important aspects of Kol Nidre is that it suborns or excuses perjury in the Courts in the case of Orthodox Jewish witnesses, whose testimony, of course, is rendered worthless by it.

If the prayer were a request for forgiveness for the broken vows of the past, normal human beings could quite understand it. Vows, promises, obligations and pledges are broken, sometimes by weakness of will to perform them, sometimes by reason of forgetfulness, sometimes by sheer inability to do the thing we thought we could do. Human experience is neither Jew nor Gentile in that respect.

But the Kol Nidre is a holy advance notice, given in the secrecy of the synagogue, that no promise whatever shall be binding, and more than not being binding, is there and then violated before it is ever made.

Breaks Down Confidence

The scope of the prayer is "from this day of atonement, until the next day of atonement."

The prayer looks wholly to the future, "we repent, aforehand, of them all."

The prayer breaks down the common ground of confidence between men — "the vows shall not be reckoned vows; the obligations shall not be obligatory, nor the oaths considered oaths."

It requires no argument to show that if this prayer be really the rule of faith and conduct for the Jews who utter it, the ordinary social and business relations are impossiNEGRO "ANTI-SE

discussing the existence and extent of antiSemitism among Negroes."

However after a Negro official in an infelicitous fit of temper invoked Hitler, Jewish patience was exhausted. On February 3, 1966, according to the New York Daily Post (March 18, 1966):

"Clifford Brown, a Negro and a local officer of CORE, declared to an audience, including a number of Jews: Hitler made one mistake — he didn't kill enough of you Jews. I am a racist and proud of it."

This understandably provoked a storm. When in answer to violent protests CORE spokesmen merely said they would investigate the outburst to determine the "context of the remark about Hitler," Will Maslow, executive director of the American Jewish Congress, according to HUMAN EVENTS, (Feb. '26, 1966) "resigned from the national board of the Congress of Racial Equality (CORE), accusing the civil rights group of reacting with 'flabby' moral fibre" to the Hitler reference. Maslow said that it was inconceivable that "any context would make Brown's outrageous statement permissible." Time Magazine (Sept. 9, 1966) reports as follows:

"Supported mainly by contributions from whites, the majority of them Jews, CORE experienced a dramatic drop in income after a Mount Vernon, N.Y. CORE official said in a speech that Hitler's big mistake was that he had not killed more Jews... CORE's income is running at a rate about half of last year's \$800,000..."

Sick of You Cats

Soon after the Mount Vernon blunder, in a Greenwich Village meeting, further unfortunate references to the Nazi era occurred. When two Negro intellectuals spoke slightingly of two Jewish Civil Rights marchers "martyred" in the South, someone remonstrated and referred "to the six million Jews killed by the Nazis." Thereupon the Negro Jazz musician, Archie Shepp, retorted that he was "sick of you cats talking about the six million Jews." And the once celebrated Negro, Le-

race of men would have stood by while the.

Jews enslaved their women, working them
for nothing in sweat-shop conditions, and
robbing them when they emerged to buy
the necessities of life from him ...

"Compare the well bred Jewish children with the children of our men who would rather send their money to the Jew through the liquor store, leaving their own children to roam the streets unsupervised, unloved and unfed. And those of us who strive for respectability find life almost unbearable as a result of heavy pressures from Jewish mortgagors, loan dealers, license officials and other standard bearers of economic torture who consistently hound us. Through artful deceit in the form of feigned friendship, the Negro is duped into the belief that the Jew is the Negro's common brother in persecution. But no man on earth can claim that dubious distinction."

Roi Jones, according to Midstream: A Monthly Jewish Review (April, 1966) said that

"He had 'his own dead to mourn' and therefore was bored with any reference to other victims of racism, whenever the six million Jewish victims of Nazi racism were called to his attention."

Therefore Midstream accuses LeRoi Jones of speaking "with a certain kind of German accent"! In the conservative, Christian National Review Max Geltman in June, 1966, frankly entitled an article, "The Negro-Jewish Confrontation," and the editors introduced it as follows:

"Negro anti-Semitism in the big cities is a fact," says Mr. Geltman. He suggests that Jewish shopkeepers move out of Watts and Harlem and that Negroes go into trade. (June 28, 1966, p. 621)

At any rate, the American Jewish leadership has reluctantly come to recognize that the Negro is not pro-Jewish and tends to resent Jewish direction of Negro organizations. Now the emerging Negroes want more power for themselves, they want to come to own the apartments and the businesses in Negro areas, and they resent landlords and businessmen who make their money in Harlem and Watts, but live in plush White suburbs

SAMUEL ROTH in JEWS MUST LIVE

In 1934, the New York Jew Samuel Roth, a well-known author and publisher, had a 320-page book edited by the Golden Hand Press, Inc., illustrated by John Conrad. Previously Roth had published two books in defense of his race against anti-Semitism, "Europe" (Liveright, 1919) and "Now and Forever" (McBride, 1925), Israel Zangwill used to quote those books. By studying why Jews had been unpopular in all centuries and all countries, after having examined them , more carefully and having "tasted" more of them, Roth changed his opinion completely and fully approved the arguments of those who defend their countries against the silent Jewish conquest. As soon as the book was published, Roth was assailed from all quarters with ferocity and Jews tried, but vainly, to have him declared insane. The following are some excerpts of this book, "Jews Must Live:"

HYPOCRISY AND CRUELTY

"Disraeli set the Jewish fashion of saying that every country has the sort of Jews it deserves. It may also be true that the Jews have only the sorts of enemies they deserve, too."

"Jewish history has been tragic to the Jews and no less tragic to the neighboring nations who have suffered them. OUR MAJOR VICE of old, as of today, is PARASITISM. We are 'A PEOPLE OF VULTURES living on the labor and the good nature of the rest of the world."

. "But despite our faults, we would never have done so much damage to the world if it had not been for our genius for evil leadership . . . Granted our parasitism. Certain germ-parasites are essential to the steady flow of blood through the arteries of an organic body. The shame of Israel comes not of our being the BANKERS and the oldclothesmen of the world. It comes, rather, of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership, and by us on the rest of the world."

wrath of a betrayed people, there is violence and, inevitably, an ignominious ejection of the whole race from the land. There is not a single instance when the Jews have not fully deserved the bitter fruit of the fury of their persecutors.

"We come to the nations pretending to escape persecution, we the most deadly persecutors in all the wretched annals of man."

"The disease is a sort of moral gonorrhea known as Judaism, and seems to be, alas, incurable. The results as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt take a look at any Jew-ridden country in Europe. If you need to be further convinced, take a look at what's happening in America."

THE CARDINAL PROFESSIONS

"There would not be so much harm in the. Jews taking in such immense droves to the practice of the cardinal professions if they approached them in the proper spirit. But the Jew does not, cannot, turn to the law with anything like reverence for the profession or for its splendid traditions."

"The attitude of a young Jew towards his profession is really like that of a gangster towards a new racket. The real end is the amount of money it is likely to yield him in exchange for the smallest investment of labor and enthusiasm."

"The Irishman, the Italian and the Greek become criminals out of sheer necessity, and remain so only as long as the necessity lasts. As in every other thing the Jew touches, he immediately conceives of it as a career."

"It is my honest belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the Ameriinterests."

"The Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing — his modest opinion of the gentile world about him."

every minute, with two Jews waiting to take him out of it."

"We see the Jew, in business, as promoter, money-lender, salesman par excellence, the author and chief instigator of a system of credit by which a nation-wide usury rises like a Golem with a million hands on a million throats, to choke the honor and the freedomof-movement of hard-working people."

"Judaism is not a religion, but a misfortune", said Heine in one of his bitter moments. He was thinking of his own unhappiness, however. No one has as yet calculated the extent of its misfortune to the rest of the world".

LOYALTY, A CASE FOR DISMISSAL! —

Rabbi Stephen Wise, Zionist Leader, is the Editor of the Monthly Magazine "Opinion."

The April (1937) number carried the mention of three prizes awarded to writers on the subject: "The Way To Combat Anti-Semitism". One prize-winner, Rabbi Victor Eppstein, proposed:

"The present program of palliative relief must give way to a program of fundamental. reconstruction. American Democracy MUST BE SOCIALIZED by subjecting industrial. production and distribution to the will of the people's Congress. The first step is to ABOL-ISH the Federal veto and to enlarge the express powers of the National Government through immediate constitutional amendment. of our being the BANKERS and the old clothesmen of the world. It comes, rather, of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership, and by us on the rest of the world."

"For the first of all Jewish creeds is that Jews must live. It does not matter how, by what, or to what end. Jews must live. And so a return was made to the ancient policy of conquest by the more peaceful and delicate methods of cheating, lying and pimping."

ANTI-SEMITISM

"Here I merely wish to reaffirm the fact that anti-semitism is so instinctive that it may quite simply be called one of the primal instincts of mankind, one of the important instincts by which the race helps to PRE-SERVE ITSELF AGAINST TOTAL DE-STRUCTION. I cannot emphasize the matter too strongly. Anti-semitism is not, as Jews have tried to make the world believe, an active prejudice. It is a deeply hidden instinct with which every man is born. He remains unconscious of it, as of all other instincts of self preservation, until something happens to awaken it. Just as when something flies in the direction of your eyes, the eye lids close instantly and of their own accord. So swiftly and surely is the instinct of anti-semitism awakened in man."

PERSECUTORS.

"Have not Jews been admitted from time immemorial, freely, kindly, almost happily by every nation at whose gate they have knocked for admittance? The story of the Jews, as they have themselves written it out, has always gone out ahead of them, to spread through the foreign peoples and evoke in their minds curiosity and pity. Have the Jews ever had to petition a country for admission — the first time?"

"Read for yourself the story of the progress of Jewry through Europe and America. Wherever they come they are welcomed, permitted to settle down, and join in the general business of the community. But one by one the industries of the country close to them because of unfair practices . . . until, it being impossible to longer hold in check the

"The Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing — his modest opinion of the gentile world about him."

THE JEW IN BUSINESS

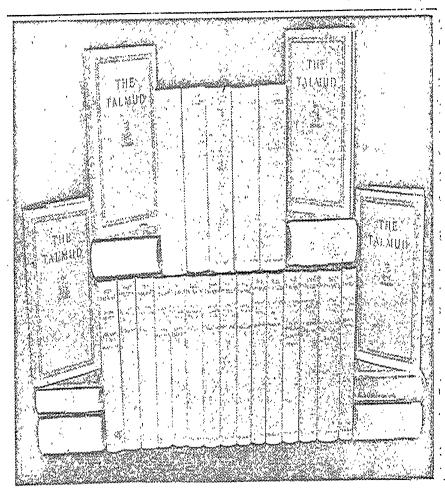

"America is full of businesses bearing old Christian names, but which are really owned and run by Jews. Most of them have been acquired in the manner I have just described, the way the Jew creates something out of nothing (slow strangling).

"The Jew better than anyone else in the world knows how to dispossess the poor and the members of the middle classes. To fit this case, the old P. T. Barnum adage needs only a little changing. A gentile enters business

America, let it be beforehand by strengthening the organization of labor; AND BY.

SYSTEMATICALLY REMOVING FROM KEY POSITIONS IN ARMY AND NATIONAL GUARD ALL OFFICERS WHOSE LOYALTY TO THE CONSTITUTION MAY BEQUALIFIED BY CLASS ALLEGIANCE."

London Jewish Savant, Dr. OSCAR LEVY, in "The World Significance of the Russian Revolution", says: "We Jews have grievously erred. We who have posed as having given to the world 'the' Saviour, are today nothing else than its seducers, its destroyers, its incendiaries, its executioners. We who have promised you a New Heaven, have given you A New Hell".

The Jewish Encyclopedia states concerning the Talmud: "For the majority of Jews, it is still the supreme authority in religion . . . It occupies a prominent place in the curricula of the Rabbinical Seminaries." Rabbi Morris N. Kertzer, Director of Interreligious Activities of The American Jewish Committee, stated in his article titled "What Is a Jew" published in Look Magazine for June 17, 1952: "The

Talmud consists of 63 books of legal, ethical ... and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis." The Talmud has been condemned by Popes and religious leaders from the time of Christ to date.

Jesus Condemned Pharisees.

The Jews even incurred the wrath of Our Saviour, Jesus Christ, who upbraided them in the following verses of the 23rd Chapter of St. Matthew:

(15). "Woe to you scribes and Pharisees, hypocrites: because you go round about the sea and the land to make one proselyte; and when he is made, you make him the child of hell twofold more than yourselves.

(27). "Woe to you scribes and Pharisees, hypocrites; because you are like to whited sepulchres, which outwardly appear to men beautiful, but within are full of dead men's bones and of all filthiness.

(28). "So you also outwardly indeed appear to men just; but inwardly you are full of hypocrisy and iniquity.

(33). "You serpents, generation of vipers, how will you flee from the judgment of hell?"

WE HAVE BEEN WARNED FOR NINETEEN CENTURIES

In the Gospel of St. John, Ch. VIII, 37-44, is reported a discussion between Christ and the Pharisees (Jews of today).

"YOU ARE OF YOUR FATHER THE DEVIL, AND THE DESIRES OF YOUR FATHER YOU WILL DO. HE WAS A MURDERER FROM THE BEGINNING. AND HE STOOD NOT IN THE TRUTH; BECAUSE TRUTH IS NOT IN HIM. WHEN HE SPEAKETH A LIE, HE SPEAKETH OF HIS OWN: FOR HE IS A LIAR, AND THE FATHER THEREOF."

Wars, revolutions, riots, uprisings, for which so many Jews have admitted the responsibility of their-race, are a work of MURDER, a work of the devil.

Schisms, heresies, subversive propaganda, false doctrines, misrepresentation of facts and events, for which so many Jews have admitted the responsibility of their race, are a work of LIES, a work of the devil.

WHY ARE JEWS

UNIVERSALLY CONDEMNED?

Every country has evicted its Jews, every nationality has found them repugnant, religious leaders throughout the world have condemned them . . . not because they are Jews, but because of what they have done.

ENGLAND: Jews expelled in 1290 by Edward I. Not permitted to re-enter till 1655.

FRANCE: Expelled in 1306 by Philip the Fair. A few were permitted to return, but were again evicted in 1394. Jewish settlements remained in Bordeaux, Avignon, Marseilles, (from where they were evicted in 1682) and in the northern province of Alsace.

SAXONY: Expelled in 1349.

HUNGARY: By 1092 the Jews were in control of Hungary's tax collections. In 1360 they were expelled but later returned. In 1582 they were again expelled from the Christian part of Hungary.

BELGIUM: Expelled in 1370. A few settled there again in 1450, but no large numbers came till 1700:

SLOVAKIA: Ousted from Prague in 1380. Many settled there again after 1562. In 1744 Marie Theresa expelled them again.

AUSTRIA: Expelled in 1420 by Albrecht V. NETHERLANDS: Expelled from Utrecht in 1444.

SPAIN: Expelled in 1492.

LITHUANIA: Expelled in 1495 by Grand Duke Alexander. They later returned.

Jack Tenney in CRY BROTHERHOOD. also gives a few sound reasons why Jews are universally disliked.

"Few reasonable men will attempt to refute the proposition that "a people within a people" (or a "state within a state") is incompatible with social tranquility and the security of the state itself. Yet this is the exact situation that existed in every European country where the Jews resided.

"Why has no one shed public tears over the expulsion of the Jesuits from Franceand the other countries of Europe? Who, today, mourns over the plight of Christians caught in the cross-currents of French political intrigue - Christians who fled the land of their birth, suffered exile and death, and whose property was confiscated when they were on the losing side of the argument? When the number of Christians who so suffered is tabulated it towers in gigantic proportions over the comparatively infinitesimal number of Jews who allegedly suffered at the hands of Christian Europe. Yet those Christians sleep unwept and all but forgotten in the annals of apologetic history.

"In Spain the Jew was on the side of the Moslem invader, even though the Moor had expelled him from Grenada in 1066. While unquestionably there was greater affinity between the Jew and the Moor, Jewish sympathy for Islam was not derived from a sense of love for the followers of Mohammed; it was because Jewry despised Christianity more intensely. The centuries had proved that the Jew was as incapable of living in tranquility with the Moslem as he was in living with the Christian. Jewry had been experied from northern Africa and Moorish Spain from time to thire, carecially in what the Jews have called the Almohade "persecution" in 1146. Omar, the second Caliph, had banished all the Jews from Holy Arabie in 640. In 1172 they had been run out of Yemen. And they had

Schisms, heresies, subversive propaganda, false doctrines, misrepresentation of facts and events, for which so many Jews have admitted the responsibility of their race, are a work of LIES, a work of the devil.

The history of contemporary misfortunes can be summed up to two things: LIES which mislead men and peoples, MURDERS through wars and revolutions which surge from misguidance.

There Is Only One World Problem: THE "JEWISH" PROBLEM

Jewish leaders, books and newspapers state that:

Jews dream of a world domination and work for the realization of that dream;

Jews control the financial and economic life of the world; they have the power to instigate crises and unemployment, in order to ruin individuals and states, and prepare revolution; Jews are born revolutionists and supply the leadership and execution of all great revolutions;

Jews are the creators, leaders, propagandists and money-purveyors of Marxism (socialism, communism, bolshevism);

Jews want all nationalities and religions to disappear, in order to bring forth the "one world" which would deliver world domination unto them;

Jews, through their powerful means of propaganda (cinema, publishing houses, news agencies, organizations of all sorts) work for the choking of national, racial and religious sentiment, so as to bring down the civilization built by all peoples;

Jews control secret societies, which form provisional governments and turn all political and social upheavals to the profit of Jewry;

Jews are not nationals, in whatever country they may be, but are essentially Jews and cannot think as other citizens think;

Jews are at the very root of all troubles, all perturbations, all conflicts, all revolts of the Modern World; they gradually judaize other peoples by the influence of their organizations, and work towards bringing them to believe, think and live as Jews;

Jews want to immolate all peoples as victims for the health and survival of their Golden Calf.

Jews were not permitted to enter Sweden until 1782. None were permitted to enter Denmark before the 17th Century and whey were not allowed in Norway after 1814. Today only a handful reside in all Scandinavia.

57 edicts designed to protect the Christian community from Jewish aggression and opposition have been issued by 29 Popes down through the centuries.

1732-99—George Washington called Jews "Pests to Society."

1706-90—Benjamin Franklin stated "They should be excluded by the Constitution."

1822-85—President Ulysses S. Grant expelled Jews from the U.S. Treasury.

in what the Jews have called the Almohade "persecution" in 1146. Omar, the second Caliph, had banished all the Jews from Holy Arabie in 640. In 1172 they had been run out of Yemen. And they had not fared better in Persia, Bablyon and Egypt. The expulsions of the Jews from Spain in 1492 estimated at between 160,000 and 200,000 has been the melancholy tale of Jewish writers ever since; a sad story, depicting simultaneously the incredible cruelty of Ferdinand and Isabella and the Catholic Church, and the noble innocence of the Jews! Yet, a century later, Spain expelled a MILLION Morriscos from its borders — TWO HUNDRED THOUSAND OF WHOM PERISHED IN EXODUS! 'The fact that this decree of ban-. ishment fails to solicit the sympathy and tears of the world can only be explained by lack of clever propagandists in Islam.

"What caused the Jew to be so universally. disliked? He was unable to live in peace in Asia; Africa, or Europe. He was always invited, and no one asked him to stay. He was always invited to leave and always had to be driven out. He had no errand, no mission, no message for Europe. He had nothing in common with Europeans. As a matter of fact he despised them, and held nothing but con-. tempt for their religion, their governments and their institutions. He was in Europe solely for his own purposes. And in coming he announced that he was the chosen of God; that he had given the Christian his Christ. and permitted the Christian to use the Jews' ancient Bible. In his braggadocio he claimed everything Christian except Good Friday and Easter."

Rise Of Negro Anti-Semitism Serback To Zionist Plotters

By AUSTIN J. APP, Ph.D.

Reprinted from American Mercury

What a few years ago no one suspected, and with the Philadelphia and Los Angeles riots was noticed but suppressed, has in the last few months been confirmed and found expression: namely, that the American Negroes who were expected to love the Jews as their Civil Rights champions more often resent them as their exploiters.

On October 13 and 16, for example, the popular television hour, "The David Susskind Show," carried a one-hour program advertised in the daily papers as "the Negro adults who hate Jews air their opinions." The main complaint of the three educated Negroes who appeared was that while Jews talk Civil Rights for Negroes they exploit them in the

and si .. ind one of the particiis, a wom a prisingly complained that and radio and television sews in the r brainwash public opinion, even to the point of inducing hatred for some nations like Japan and Germany, one year, and other nations, such as China, the next.

The American Jewish Congress reacted

that Jews proportionately were more widely represented than any other religious or ethnic group in the country. Moreover, Jews have been in the forefront of the Negro struggle for justice long before it became fashionable for elements in other pastures to say amen. Why then this sudden climate of anti-Semitism in the Negro community, not only on a mass level but among intellectuals as well? Surely the Jew is not to blame . . . "

What Mr. Ziprin calls "this sudden climate of anti-Semitism in the Negro Community" was probably not really sudden and really is not racial, as the word anti-Semitism suggests, but is simply resentment of some Jewish practices.

The First Evidence-

The first evidence of it came in the reports of the Philadelphia riots in 1964. After the destruction and looting running into millions was surveyed, it was found that primarily Jewish stores had suffered. Then the Negro leader Cecil Moore confirmed the suspicion when he thundered:

"Don't mention exploitation to me, I've seen the worst of it. I mean when a man

in August, 1965. Though the news media hesitated to believe or to report on the anti-Jewish aspects, these could not be entirely ignored. An AP Report on the Watts riots carried the following paragraphs:

"An anti-Semitic note was injected in some answers. 'All those stores that were ruined are owned by Jews who live in Brentwood and Beverly Hills,' said one Negro. They have been bleeding us for years ... None of these merchants ever have put a cent of their profits back into bettering the Watts business district,' he said. A half-dozen others echoed his feelings." (See Phila. Inquirer, Aug. 18, 1966)

The widely known author and columnist, John Dunne, in a story in the Saturday Evening Post (Nov. 6, 1965), entitled "Watis: the fire next time," described how some months after the riot he walked "past the burned out stores which still lined the streets. of Watts like missing teeth." The editor, Mrs. Pat Alexander of the Herald-Dispatch, a Negro publication claiming a circulation of 35,000, said to him, "What the Negro hates is the awful deceit by the Jews. The whole

pants, a woman, surprisingly complained that. Jews in the press and radio and television brainwash public opinion, even to the point of inducing hatred for some nations like Japan and Germany, one year, and other nations, such as China, the next.

. The American Jewish Congress reacted violently to this program. Its executive director, Will Maslow, telegraphed:

"We are shocked at David Susskind's pandering to sensationalism by turning his program over to three Negro anti-Semites."

The National Review (Nov. 1, 1966) commented on this that "the impossible Mr. Susskind's principal contribution to anti-Semitism lies in his being Jewish."

The pained and shocked Jewish recognition of Negro ill-will is well expressed in a column by one Nathan Ziprin on "Negro-Jewish Relations" in the Jewish family newspaper American Examiner (July 21, 1966) as follows:

"... If one were to scan the list of participants in freedom marches and other manifestations of protest, it would be found

of the Philadelphia riots in 1964. After the destruction and looting running into-millions was found that primarily Jewish stores had suffered. Then the Negro leader Cecil Moore confirmed the suspicion when he thundered:

"Don't mention exploitation to me, I've seen the worst of it. I mean when a man buys a pair of \$5 shoes for a dollar a week, he winds up paying \$12 for the shoes. And the rotten meat, the packages of chicken that say 5 lb. and weigh 4 and one-half lb., the stale bread and the high rents. I warned them in 1959 that the exploitation was going to blow the top off. I told them again in 1963, but the merchants did nothing to stop it. Well, the people up there won't wreck those stores again. We'll just boycott them. The Negro store that got wrecked was owned by a man named Richberg. They thought he was a Jew."

See Time, Sept. 11, 1964)

Watts Riots

The second evidence to hit the incredulous American and the stunned Jewish people emerged from the Watts riots in Los Angeles the fire next time," described how some months after the riot he walked "past the burned cut stores which still lined the streets of Watts like missing teeth." The editor, Mrs. Pat Alexander of the Herald-Dispatch, a Negro publication claiming a circulation of 35,000, said to him, "What the Negro hates is the awful deceit by the Jews. The whole civil-rights movement is a branch of Zionism." When a Commission disclaimed "any Communist influence in the Watts Revolt," the same Herald-Dispatch editorialized:

"This is understandable if you understand the nature of Communism in the United States. Communism in the United States would never permit the burning of Jewish Businessmen's establishments such as was the case in the Watts or Los Angeles Negro Communities (Dec. 23, 1965)."

The anti-Jewish aspect in the burning and looting of Jewish stores during the Negro riots was soft-pedalled in the press. The very papers which featured the profaning in Munich of some Jewish tombstones by three German teenagers and editorialized upon it as a monstrous crime and an alarming proof of neo-Nazism, hushed up as much as possible the anti-Jewish aspects of the riots. The same Jewish organizations that enthusiastically sniff out and blow up to huge proportions any whiff of German anti-Semitism, and that snoop about in America to find traces of it among Gentile Americans and almost gloatingly announced an alleged finding that those Americans who go to Church most are the most anti-Semitic, were too stunned about signs of Negro anti-Semitism to want to recognize it. They are eager for signs of German anti-Semitism, which they publicize as a confirmation of the congenital and collective evil nature of the Germans, but they are appalled that the unspoiled, semi-pagan children of nature, as they Rousseauistically regard the Negro, could possibly dislike so wonderful and sympathetic a people as themselves. Like Noah's sons, they shamefacedly preferred to cover up this Negro ill-will. A featured writer in the Anti-Defamation League Bulletin (March, 1966), for example, writes, "I think there is too much time spent

J. Edgar Hoover, Mgr. FBI
Washington, D. C.

Dear Mr. Hoover: Greetings!

Enclosed is a very bad article copied for your inspection. Certainly it is one of those works which run down the police, encourage anarchy and disrespect for duly appointed authorities.

I investigated the source and authenticity of the article as much as I could to date, and enclosed is a letter which deals with the result of the investigation, also a copy of a letter which explained my attitude to a close friend. It is self-explanatory.

Some friends and I are reading with interest 'PROTOCOLS of the Learned Elders of Zion, which you probably have read. Copies may be had from the publisher; CHRISTIAN EDUCATIONAL ASSN. 530 Chestnut St., Union, N. J., Whether this is a forgery or not, still the events of today are hitting the contents of that book right on target.

Well, I hope that the material enclosed will enable some of the work of the guilty varmints to be reduced. NEA Syndicate seems to be a possible Communist Propaganda distributing center.

We are in such a condition of ever-increasing anarchy, that some of us would like to do something to help cripple the offenders ers. I did not know wheter it was well to send a copy of this material to the UNAMERICAN AFFAIRS COMMITTEE (if that is the name of the group involved in such problems.)

Your comments would be a help, and possibly instructive.

Most sincerely

(Do you have a closeby agent to whom I could talk if it seemed appropriate?)

February 5th 1968
To J. Edg Hoover, F3I
Washington, D. C.

Dear Sir: On Feb. 3rd, 1968, I sent a letter to you enclosing a newspaper clipping reproduction which seemed to me to be very anarchistic in tone, along with a letter to a friend telling of the brief examination which I made, seeming to confirm that some effort was being made - possibly by subversives - to degrade and contaminate the thinking and acting of the American Public.

I am enclosing for your inspection a copy of the 'PROTOCOLS' of the Learned Elders of Zion'. As I mentioned in the previous letter: the events of today match to an alarming degree the program apparently mapped out in the PROTOCOLS. This brings to my mind - I think, naturally - that Zionist Jews are really in a THE bad position of #1 suspects. The Protocols say that practically all world-communications are under Jewish control, and that just about everything (or 100%) of news coming into USA must be approved by those folks. I am still desperately uneasy, remembering that Germany's murder of 6,000,000 Jews was publicised in this country - unamously, so far as I can recall - as entirely unprovoked by Jews who were guiltless, and the Germans and Hitler included, were simply beasts looking for a scapegoat etc; and that Hitler was a fairy and a pervert. (Although that progressive nation of 73,000,000, followed him eagerly.) This made no sense to me - there must have been great provocation - so I reasoned. So, our news must have been censored, and who would have done it with that kind of slant? Of course, our Jewish friends. -- Mr. Hoover, I am one of those fooks who believe that action - prompt action should be taken to stop the really guilty persons or whoever is responsible for the present anarchy. --- The Protocols look awfully close to the target in their information; so much so that - if I don't get some better information rather quickly, then I'll be forced by my conscience to do what I can to get every man woman and child in USA to study that document, and then follow their own judgement. This is why - in part - I am asking you to give to me whatever definite information you have on this sub-I am rather sure that, if NEA is guilty of Communist or Zionist activities to sabatage the country, then all the other syndicates are also guilty by induction, since the innocent would turn in the guilty if they noticed such guilt (and they couldn't help noticing it -- they have their skilled readers)

with utter frankness to u Mr. Hoover, and hope that I'm speaki jail won't be the result: I don't believe that our President and high officials today are capable of doing a good job -- they are not free to do so. Many, as you know, have some bad moments in their past, and can be blackmailed. The Supreme Court has made some terribly bad decisions which liberated rotten literature and disruptive (to the police etc. law enforcement) legislation, under technicalities which ignored entirely the 'father function' so necessary of a great court toward its country. They are lost in crazy technicalities. All this stuff is outlined also in its the protocols, and outlined as a way to degenerate the Goyims, 🦠 meaning Gentiles. Every miserable setup today is pointed out in that pamphlet: and even though some folks claim that it is a forgery, still, its items are coming right out to the least detail in most cases.

I am a student of philosophy, religion, and psychology, through the practical disciplines of yoga over perhaps 26 years trained under an Eastern Master for 6 years (monk's training). Yet here am I ready to fight (in my own way) to try to end these villainies. What I immensesly, is the making of a serious mistake which will finally contribute to the killing of a lot of innocent It is becoming apparent that the people themselves are going to have to solve their own problems, since they are not being solved by the political and agencies downward. For instance prices should be regulated (frozen) and wage limits and profit limits set. And what politician can do these things without being voted out of office? Their hands are tied in this anarchy. Also, I am told by a local policeman that his fat young nephew of about 10 years of age, white, and two or three little girls. are the only white students in the Samuel Marier school Holly. No Every few days, says the officer, about 3 negar kids jump the little fatso and beat him up. The boy has found that he must take it, or else - simply more negroes jump aboard. Complaints to the City Manager, the chief of police and other dignataries produced the unamimous verdict; "we must not do anything; it might start a race war." This is what the policy of keeping the peace at any cost comes to. And yet, even I , don't want to see these folks killing each other. But, it's getting worse. That little fat boy is going to have some terrible complexes, since nobody - parents and police included - will help him in this formative;

part of he life which must be a hel

If you can explain to me a constructive enlightening view of these matters, particularly the contents of the PROTOCOLS, and the innocence or guilt of the Syndicates, whom I seem already to have convicted, you may possibilities the most embarrassing and shame-producing activities of my life.

Tonight, on the David Susskind show, there were four small Jewish boys of great intelligence - each about 11 or 12 years old, one of whom was Susskind's son. It horrifies me to think of any activity in this country similar to the purge of Hitler, which took all Jews as mortal enemies. But he could have done something else I have doubt that he would not have done it, althought he had to make brute force almost his whole pattern. I don't like this trend of thought, but we - in this country-are really in trouble, and you and I both know that this decent conder one way or another, or else the country will cave. No discipline-no country. Those who finally stand in the way must be pushed to one side, or the whole structure will die. The moral breakdowners must be stopped without delay.

I'll bet anything that you are one of the most frustrated men in the nation, Mr. Hoover. You must know a great deal, and have some practical remedies for most of the present ills of society, and not be able to apply those remedies - you are not given the authority, unfortunately. I tell my sometimes angry (at me) friends that in our anarchic condition, ordinary politiciand do not function: what we need is a strong righteous, (even tough,) military dictator who knows how to keep order. Who likes military dictators? Noone, but, compared to anarchy, a dictatorship would be heaven!

Our newspapers - as the PROTOCOLS said - are doing a beautiful job of producing a lot of conflicting information, without any encouragement for good moral action. Well, I'm going to stop. I need your help. If you can't write on such touchy matters, will your self a good man and have him talk to me. Even a brief meeting might have quite a good effect on those folks in my orbit. (This may be irrealant, but, I am the author of a book named:

The police hadn't heard of such a riot (supposed to be on the San previous Friday). So, yesterday (Thursday) I culled the Burl. The Associate Editor (came ?) was the only man on hand, and the conversation ran something like this:

"How can I contact her."

"Well, she's with 'HEWSPAPERS ENTERPRISES ASSW., (NEA)

"Listen, I read last Monday's article by her; have you read it?"

"No, I haven't." --- "why?"

"Well, she tells of a teen-age riot in high-school, because of a sharply cut budget. This was supposed to have occurred in an unstate school. Our police haven't heard of this, so I am contacting you folks. This is such an unusual affair, that I want to check details. Tell me something: who reads over these articles to make sure that no harmful material reaches the public? !!

And he answered firmly: "Yes it is."

Gentlemen:

Enclosed is a sampling of hate literature which came into my possession through a neighbor.

The woman who is distributing this literature is Suzanne Caum, 909 Kenwood Road, Drexel Hill, Pa. Her telephone number is SU. 9-4230 and it is an unlisted phone. She is a woman in her 60's or 70's slightly built, grey hair, light complexion and approximately 100 pounds in weight.

According to my neighbor, a landscape gardener whom she called in for an estimating job, she is a writer and has broadcast over numerous radio stations, but is not permitted on Philadelphia stations. She claims the radio station people know her well.

She distributed other literature to my neighbor and his work crew, all primarily of a religious and health nature. If you are interested I will be glad to send it along.

I am not aware of the legality or illegality of the literature in question or its nature of distribution, but would appreciate it if your office would let me know how the law stands in this matter. 165-1910-642

Thanks for your help.

APPENDIX

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, Miss Catherine Roberts advised she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated she was associated with Conde Mc Ginley for seventeen years and since his death has been continuing his editorial policy.

On May 5, 1967, Miss Roberts advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee."

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

DECEMBER BULLETIN

December 15, 1970

Dear Fellow Patriots:

On December 12th and 13th a meeting of State and Regional Coordinators was held in the Chicago area for the purpose of reorganizing the Minutemen. This meeting was forced upon us by the following facts coming to light in the recent months.

- 1. The Headquarters staff at Norborne have been stealing defense funds for some time and spending this money on luxury items for their own personal use. Also some of this money has been used for the purchase of hallucenegenic drugs which are used quite heavily by persons on the staff at Norborne.
- 2. Bob DePugh is no longer able to run the organization, and his attempts to do so from jail are tearing it apart.
- 3. Patriots across the country have been sold out by the pimps and dupes who now control the operations at Norborne Missouri. Security of all types has vanished from their grasp.
- 4. The National Headquarters staff has been unable to cooperate or even co-exist with members of the executive council or the Regional and State Coordinators, to the point that many are dropping out of the organization after ten years of hard work.

In light of the proceeding facts and others, the Regional and State Coordinators met in Chicago to determine a new course of action. The turnout at the meeting was much higher than expected with such short notice. The results of the meeting which are of vital importance to all loyal Americans are as follows:

1. The Norborne offices of the Minutemen are no longer to be recognized as the National offices of the organization and the persons working there are no longer accepted as members.

- 2. The Continental United States has been redivided into ten Regions and Coordinators for all ten are in the process of being appointed.
- 3. There will be for the present no new National Headquarters and no National Director. However, the Chicago offices will serve as Coordination Center for the intellegence information exchange which all the regions must have. All Coordinators will answer only to the executive council made up of the Ten Regional Coordinators.

Other than the change in leadership and style of National Coordination all goals and aims of the Minutemen will remain as they have always been. All standard operating proceedures will remain in effect.

It is with no great regret that we say goodby to the pairiots for profit that have run this organization since the capture of Bob DePugh, and all they stand for.

All material ever issued by National Headquarters is being republished where copyrights allow and all other material is being rewritten slightly and will be ready soon. Please contact your Regional Coordinator or the National Coordinating Center as soon as possible. We need the help of every Patriot in setting right the wrong of the past and in rebuilding the Minutemen into what it once was--"Truely the elite of the patriotic movement."

Enclosed with this letter is a December report form for those of you who are already members. For those of you who are not there is a space to indicate your desire to join. Included also are a list of reprinted and original publications which your teams may not have all listed are now available from your Regional Coordinator or the National Coordinating Center.

The address of Your Regional Coordinator appears on the front page of this letter if one has been appointed for your area at this time. If no second address appears send all mail to the National Coordinating Center, and it will be forwarded to your Regional Coordinator.

Yours For America,

National Executive Council

Doar Mr. Stephens:

I am writing to you personally because I-recognized the address at the end of the "Minutemen" letter as being yours.

I have given much thought to our telephone conversation of several months ago. You seemed to be a very confident and capable person from what I gathered over the phone.

I am not a person to jump to conclusions. I wait until all of the evidence is in before I make a decision.

If all of what the letter that you recently sent to me is true, then I am with you all of the way.

As Southern Regional Coordinator of the Patriotic Party I have a stake in anything that happens to the Minutemen. As a person who knows Bob DeFugh personally, I am concerned about what has happened to his family and what they may be doing.

I am ready, willing and able to give my support to a new and re-organized Minutemen group if it is really on the ball. Of course I must know more about what is to be done before I make a final decision.

as you no doubt have found out by now, I helped train Hinugran in Colorado and have a Martial arts traing school here in New Braunfels.

If I decide to come into this new Minutemen organization, I will have my school and camp facilities available for training purposes. And of course I will be available for travel to any part of the country to serve as an instructor in guerrilla war-fare or lecture on the subjects which I am qualified for as an expert.

I await your answer.

Yours for Christ and America,

Roy Brown

Dear Sirs:

I am in receipt of a "December Bulletin" issued by your office that was sent to me recently by Mr. Jesse Stephens.

as Southrn Regional Coordinator of the Patriotic Party, I am concerned with anything concerning the Minutemen or anything that concerns the DePugh family.

I am not one to jump at snap judgement but if what you say is true about the DeFugh family in Norborne then I am with you all of the way.

As I don't know you then I will await your answer to this letter which I hope will have more information on what you plan to do.

As you no doubt know me then you know that I trained Minutemen in Colorado and that I have a martial arts school. If I should decide to join you, then of course my school and camp facilities well as school and camp facilities well as lecture of various subjects needed by Patriots.

I await your answer to this letter and hope that you have something constructive to offer in these troubled times.

Dear Mr. & Mrs. Defugh:

I am writing at this time for two reasons especially. First to give my heartfelt sympathy to you in your time of sorrow for Bob's latest sentence. Second, to send you the enclosed photocopy of a letter that I received from a so-called reorganized kinutemen.

This letter upset me for several reasons. First because it makes some terrable accusations about the DePugh family in Norborne which I don't believe to be true. becond, it looks like someone in the organization has mailing lists whom'I believe shouldn't have them. Third, it looks like there is a well organized effort to destroy all that bob has sweated, sacrificed and suffered for. Fourth, If something isn't done to counteract this move then all that Bob has done to help save America will be smeared by these people.

As Coordinator of the Patrlotic Party for the southern region, I would do something to counteract this if you would tell me what to do.

In the meantime I am going to write to this group and pretend to play along to try and find out just what they are up to. I will of course keep you informed on everything that I can find out.

Please write and tell me what is to be done about this new event. I rely on your good judgement for Bob's and America's sake. I await your answer. GOD BLESS ALL OF YOU!

First, I want to state that I don't believe the awful things that the letter says about you folks in Norborne. Second, I want you to know that I will stand with you all of the way and help you in any way that I can.

I don't know these people but am going to write to them and pretend to play along with them so as to find out all that I can. Bathrally I will keep you informed about all that I can find out.

Bright Side of Trials to Come

Zod's Wrath...

OF HIS MERCY

By Fr. GEORGES de NANTES (of France)

People in our times are very, very frivolis. Perhaps that is an excuse for them arthquakes do not wake them up, choleranly bothers them physically, not spiritual. We don't know of any bishop who has redered prayers, fasting, and processions gainst contagion, so that we might be pared these great torments which the hurch has always regarded as chastisements: "A flagello terraemotus, libera nos, bomine. A peste, fame et bello, libera nos, bomine." We no longer have the fear of longer was frivolous indeed.

God's Love ...

By Father Hilaire de la Transfiguration, O.D.M. (Republished from MAGNIFICAT)

God's chastisement of humanity is inevitable. But if we were to think only about the sufferings that it will be necessary to endure during those sad days, we would lose co: age and would only be able to live in sadness. God does nothing without a reason, and His reasons are always marked and motivated by love, even when He strikes. We must not for a moment doubt God's limitless love for us. In particular, we will have to keep from doubting it during the darkest days. If God, regretfully and after so many repeated warnings, is preparing to chastise the world, it is because He has exhausted all other means to bring humanity back to the road of true hanniness.

The "Right Wing" steers loyalties into the hands of the RICH N who are and always have been the cipal financial backers of World Comhism. Charlatans of this ilk call to mind word of St. John: "Come with me and the condemnation of the Great Harlot sits upon the many waters." An angry tclub singer chanting THE BLACK GLE FALL gives point to other ds of St. John: "They shall hate the Harand they shall eat her flesh, and shall ke her desolate and naked, and she shall burned up in fire, for strong is God who judge her."

They e promised that they will create "The ness of Mankind" (i.e., that they will e out the white race). They have promto create "A World State with a World rt in Jerusalem" (David Ben Gurion's words). Billy Buckley says, in the t. 22, 1970 NATIONAL REVIEW, on te 1017 "We were taught (and I continue belief (1) that there was something very e to an undeniable moral imperative to to the aid of the Jewish people of Europe were about to be systematically exterated." they would kill him. In order to put ten percent of their pet theories into practice, it would be necessary to tear down the physical plant of American Industry and rebuild it completely, in accordance with an entirely different technological philosophy. "Technology" is a word the American Conservatives seldom use, because it does not fit into their concocted mythology. The real bug in the rose is the fact that the big-time FREE ENTERPRISERS of America are and always have been the principal financial backers of World Communism. "Economic Conservatism" is a front for the Jews and nothing else. We are FED UP with JEWISH RULE, whether it wears a "Conservative" or a "Radical" mask, and it often wears both. RACE is the important thing. Our talented European races created the greatest ekplosion of economic energy in all history. We nced no guidance from Jew "Economic philosophers." The JEWISH system which rules over us today has no legitimate claim upon our loyalties. OUR America is not ja Jewish pig pen prostituted to Mammon: to us, the word AMERICA has meaning only because the footsteps of ARYAN Man have fallen here, only because ARYANS have fought and struggled and loved and laughed and lived here. We loathe and hate the "Jewish Colony of America." We hate it nearly as much as the rest of the world does. Let us make it abundantly clear to Spiro T. Agnew and all other parties concerned that we will not wave the Stars and Stripes and cheer while some Jew quietly gloats over the power he exercises over us through the shabbos Goyim in the administration. Take your pack of pawnbroking swine and go hang! We have had a bellyfull of shabbos Goyim!

BLUEPRINT FOR VICTORY

By ROBERT DePUGH

The persecution of Rebert DePugh by the so-called "Government" of the United States and its corrupt lackeys of the Federal Judiciary is one of the blackest pages in the sickening history of Marxist tyranny. While the apostles of revolution and nihilism are free to advocate and commit all sorts of acts of sabotage and moral degeneracy; Robert DePugh languishes behind bars, the victim of a classic Marxist-Judicial frameup.

Blueprint for Victory is DePugh's answer to the dark and sinister forces bent upon the destruction of American nationhood. This is a challenging book that should be carefully read by every American who loves justice and hates tyranny.

Proceeds from the sale of Blueprint for Victory will help defray the high legal costs of the continuing battle to free Robert De Pugh. In addition you will receive free of charge, a copy of Mr. DePugh's namphlet Critique of Objectivism. Paper Cover \$2.00.

We thank you sincerely for your Christmas message and your inquiry. We are doing rather well after my stay in the hospital. I was there for some surgery which was the result of incompetent work on the part of some army surgeons. The matter has been bothering me for many years and at the end of the summer the condition started to worsen. After consulting several M.D.'s I decided to have the condition corrected.

Yes, I taught at the school almost daily during July and August. Goff had some difficulty with the KRS and couldn't be in attendance. There were some preachers from the Middle West, whom I didn't know, who assisted. I felt that wuite a few people had come, many of them from distances, and that they should be given every consideration possible. There were several from California and some from Texas as well as other States. I didn't give much attention to their names or addresses but I am certain that some of them knew you.

I had the opportunity to enlarge on the subjects of "Race", "Socialism", and "What Must Be Dobe At Once"

and had good reaction.

The shooting you mention was the result of a dispute between some tenants. I don't think Goff was involved in any way but the affair didn't help the reputation of the "Soldiers of the Cross."

I don't know whether or not Goff has any one interested in buying the Camp. EXX. I doubt it. The buildings are not in the best of condition, the location is not exactly the best, the road leading to the camp is not paved, the lane is miserable, etc., etc., etc., Perhaps something must be done with the place as the people who sold it to Goff is the name) were indicted for fraud and convicted last month. It was a Federal charge which means that a full inquiry will be made into the affairs of the land if there is any equity in the Camp belonging to the land and I am not sure what steps have been taken as of this contact and the second and I am not sure what steps have been taken as of

thise date, so don't quote me.

If am preparing to organize a Committee for the pur pose of making the general public aware of how desperate is our plight. This will expose the people behind the nigger problem and the traitors behind the socialist revolution. I have a great many documents which will throw proper light on where we are and how we got there. I am of the opinion that 100 good men and true can ace complish wonders if they come to grips with the real problems. This will be largely a campaign of advising & arousing through the printed word. My Committee in Chicago did a grand job using the techniques which we will employ. Something must be done and at once. I am only waiting for a little more improvement in my physical condition for the start.

Again I want to thank you for your Greetings and extend to you and Mrs. Brown every best wish for the 1971 and all the years thereaftre. Also, we hope to hear from you again.

To All Americans Interested In Preserving Cur Nation and Race:

Senseless Americans, as well as minority groups and integrationists, are to blame for the racial trouble which now overwhelms us and threatens to end our liberties and way of life.

If White Americans would refuse to patronize or engage in racially mixed activities including businesses, services, schools, games, TV, radio, movie and stage entertainment we would soon put an end to the threat of total disaster which approaches.

Boycotting racially mixed businesses, services, schools, athletic games, churches and entertainment would not deprive the negro of any legal or moral right. Anyone has the right and should have sufficient love of country and race to help keep the above named activities all white or all black. Mixing the races is the blueprint for the destruction of our nation and civilization.

So, again, if you want to help preserve our race and nation, boycott all racially mixed activities, including television. When a racially mixed program is offered to you, notice the sponsors name in the commercial and vow that never again will you buy his product.

Everyone should be willing to make this small contribution to the preservation of our race, nation and way of life.

HON. JOHN R. RARICK

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 1970

Mr. RARICK. Mr. Speaker, it has been some 4 months ago that I called to the attention of the House the most recent of the classical Putnam letters— this one addressed to the current occu-pant of the White House, President Nixon

Neither a doctrine of fairness nor any standard of honesty in reporting applies to the news trust-which controls and

pollutes our news.

When a distinguished American, renowned as a scientist, an attorney, a scholar, and an author, is compelled to buy full page advertisements in the leadbuy full page advertisements in the leading daily newspapers to break through the curtain of silence and tell the American people the truth, it should concern all of us. When some of the leading liberal papers refuse to sell advertising space to tell their readers the truth, only because the truth does not agree with their own propaganda campaigns, it should begin to alarm all of us. This is the situation faced by Mr. Putnam in his one uation faced by Mr. Putnam in his one man quest for national sanity.

The American people are awakening. They have disliked for some time the activities of the "limousine liberals," but activities of the "limousine liberals," but they were successfully deceived into believing that they were alone in their failure to appreciate all of the integration benefits forced on them from the left. Now they know that they are not alone—that they are the large and powerful majority in this land, and they are speaking out in tones which are unmistakable despite being smeared by the Communist-coined trigger word, "racist."

As Americans have personal contacts with the racial subculture of the Negro, they can no longer be deceived by the

with the racial subculture of the Negro, they can no longer be deceived by the propagandists. Nor can they any longer be convinced that it is somehow the fault of white America that the mem-bers of the Negro subculture behave as

badly as they do.

In increasing numbers people are learning from their own sad experience the truth of the old adage that you can't make a silk purse out of a sow's eareven by education, environment, or manipulated statistics. Americans who have known the facts for, a long time, are now discovering that there are oth-ers, thoroughly respectable, who know the same facts.

the same facts.

I include in my remarks the letter received by Mr. Putnam from an obviously unbrainwashed American, and commend it to the careful perusal of our colleagues and of all other Americans who have not yet been exposed to the first hand experiences of its very experienced author. The letter follows:

DEAR Mr. PUTNAM: Referring to your full
page advertisement in the Chicago Tribune
for 12 February 1970, I feel it worth while to
tell you, for whatever use you might want to
make of it, the experiences I had while livling in Chicago which have made me what
the "liberals" like to call a "bigoted racist."
Ten years ago I was a firm believer in
racial equality. I was an "Integrationist" to
the extent that I believed every man of whatover color should rise or fall according to his
own ability. I lived in Chicago then, in a
very pice area of white people, good homes
and handsome apartment buildings within
half a mile of an area "liberals" like to call a
ghetto, both misunderstanding and misusing

that term. When blacks began moving into the neighborhood, I had no desire to leave

six months later, the pice buildings were wrecks, the while people were gone and the area a social and physical shambles. Noise (24 hours a day), filth and garbage, immorality and crime were rampant, and white ickins became the target of a malicious, blatant, organized black racism. When it became totally unsafe for whiter to be in the neighborhood because of roving gangs of vicious killers, I moved my family to another area two miles distant.

Again, it was an excellent neighborhood, with handsome single-family homes in the \$60,000 to \$75,000 class (near the Sotth Shore Country Club) and active the social with handsome single-family homes in the \$60,000 to \$75,000 class (near the Sotth Shore Country Club) and active the social with the social way apartment buttlings. There I lived through plates the same experiences I had had a short time previously, like seeing a movie a second time. Once again, the holack tide came, spawning evil, flith, immorality and crime; once again, the roving gangs of black killers and vandals made the nights hideous with screams, yells, catcalls and smashing glass, and the days nearly as bad. I saw more than once blacks copulating in public, scarcely hidden behind hedges, standing in doorways, in cars parked along the curb, like animals in their indifference to public deceney. I saw with my own eyes muggings and the stripping of autos; I saw vandalism that deserved shooting on the spot. I saw theft in grocery stores. I found plies of human fees in the population of the spot. I saw theft in grocery stores. I found plies of human fees in the population of the spot. I saw the fit grocery stores. Now your critics come along, mouthing the myth that the heavy black population of our cities is the victim of conditions there, not necessarily the cause of these conditions. They are wrong, as are all of those who epocut this fallacious legend. They are 100%, utterly, completely, wholly, entirely, absolutely, massively wrong. They do not know what they are talking about, and if they were to undergo the experiences nearly all whites have had trying to accept a way of life that is not ecceptable, they would not write what they have written, or anything like it. They would be writing what I am writing, whether they believe they would or not.

Black people may have lived among white people for generations, but the white ethes does not rub off on the blacks, any more than the black color rubs off on the whites. Black people whine, rant and rebel because white people don't like them, and will not accept them, yet blacks are unwilling or unable to behave themselves in such a way-that white prejudice will be overcome by respect. These people want handed to them on a silver platter, without the condition of personal responsibility, what white people have worked hard for, for generations themselves. The black people riot, loot burn and kill because for 300 years, they whine, they have been "repressed" and "oppressed" by the white "establishment." The black males weep "tears" the size of golf balls because, they slobber, they have been "deprived" of their masculinity—they would engerly and cheerfully destroy the "establishment." The black males weep "tears" the size of golf halls because the like of which white people would never even dream of, Among them rise organizations like the victous black panthers, dedicated to overthrowing this nation, cheerfully, in a racist holocaust the like of which white people would never even dream of, Among them rise organizations like the victous black panthers, dedicated to overthrowing this nation by force, and when these liverlipped bastards are called to account by law and order, th

and its life in wo in the likes of senators, supreme court justices and "leaders" of the blacks.

When your critics write that blacks are not the cause of their social conditions, they obviously write without experience or knowledge on the subject. They are but repeating the myth so assiduously cultivated by the "liberals," who wrongly consider that because black people are in some ways physically like white people, there is no other difference than skin color. This is not only specious, but stupid. There is a difference, a profound, fundamental difference. Intimate contact with black people, in a black environment, would show these liberals those differences starkly and quickly. To perpetuate this lunacy of "equality" is to drive further into the heart of this nation the stake of racial conflict. Only when it is understood and accepted as fact that there are basic and fundamental differences between the two races will there ever be any kind of social tranquility again. The folly of "equality" is the toesin of doom for America; how anyone can review what has happened since 1960 and not see that conclusion is incredible. How responsible journalists can encourage and perpetuate the monstrous notion that the black community is not responsibility and public decency will go a lot farther towards social "equality" that rloting, crime and lawiessness; Why not tell black people that white people coverywhere are (or ought to be) fed up to the eyeballs with loudmouth revolutionaries screaming obscenties and gangs of ruthless killers roaming the streets of cities at night. Why not, for just once, just plainly tell the black people that the best—if not the only—way to get the respect of white people instead of jungle animals.

It is not always the white who criticizes the black who is the bigot; to hold black people blameless for their own social filth and personal misschahor is also bigotry, and every bit as bad if not worse.

Dear Earl,

Thanks for the most welcome letter. It was very informative as it answered several questions that had been puzzling me.

We are happy to hear that your health is getting better. We are feeling fine ourselves.

I want to hear more about your ideas concerning the battle against the enemy from within.

As your letter implied, I take it that you plan on organizing an elite group of your own. If so, then I am very interested as I have much respect for your good judgement.

I missed coming to S.O.T.C. this last summer and being able to meet and talk with you but Ken and I finally had to split. Johnnie was the cause. I knew that sooner or later she would do or say something that would cause trouble between Ken and myself. She has destroted S.O.T.C. step by step but couldn't have done it without Ken's blind cooperation.

Give Mrs. Southard our best regards. Let me hear from you on your plans. Perhaps I could be of assistance in some way. You and I always worked together very well at camp.

My school keeps me pretty busy but mabe you have something in mind for me in your new group when you decide what you are going to do.

I look forward to hearing from you soon.

Sincerely yours,

Ray

Source also advised that Niles has made preparations to move his Christian Education Association to that location.

II. Connections with Subversive Organizations

Niles has been an active supporter of the Nationalist Socialist White Peoples Party (NSWPP) and while in New Jersey was associated with the Christian Education Association (CEA).

The National Socialist White People's Party (NSWPP), also known as The American Nazi Party, American Nazis, and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

A characterization of the CEA appears in the appendix attached hereto.

III. Miscellaneous

Niles is an alcoholic and had in the past possessed firearms and, therefore, should be considered to be armed and dangerous.

APPENDIX

The Christian Educational Association (CEA) of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, advised she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated she was associated with Conde Mc Ginley for 17 years and since his death has been continuing his editorial policy.

On May 5, 1967, advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

INFORMATION

Legat, Ottawa, notify Canadian officials of the facts concerning Niles' extremist tendencies and verify his present location in Canada.
